4. Maintenance

Proper care will ensure the longevity and appearance of your Mega Construx Jackal Freebooter figure.

Care Instructions:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust and dirt. For stubborn grime, a slightly damp cloth with mild soap can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the figure and its accessories in a cool, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Handling:** Handle the figure by its main body parts rather than small accessories or delicate joints to avoid accidental breakage.

5. Troubleshooting

If you encounter any issues with your Jackal Freebooter figure, refer to the following common solutions:

Common Issues:

- **Loose Joints:** If a joint feels too loose, carefully remove the limb and reattach it, ensuring it clicks securely into place. Avoid over-manipulation.

- **Missing Pieces:** In the rare event of missing pieces, please contact Mega Construx customer support. Information on how to do this is typically found on the product packaging or the manufacturer's website.
