Safety Information

Please observe the following safety precautions during assembly and use:

- Keep all small parts and packaging materials away from children.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload shelves. Distribute weight evenly.
- Always use the included anti-tipping device to secure the bookshelf to a wall. This prevents accidental tipping and potential injury.
- Do not climb on or stand on the bookshelf.

Parts List

Verify that all components are present before starting assembly. If any parts are missing or damaged, please

contact customer support.

Component	Description	Quantity
Side Panels	Vertical support panels	Various
Shelves	Horizontal storage surfaces	Various
Back Panels	Rear support panels	Various
Doors	Cabinet doors for enclosed storage	2
Hardware Kit	Screws, dowels, cam locks, hinges, handles, anti-tipping kit	1 Set

Setup and Assembly Instructions

Follow these steps carefully to assemble your bookshelf. It is recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface. Refer to the parts list to identify each piece.
2. **Assemble Frame:** Begin by connecting the main side panels to the base and top panels using the provided screws and dowels. Ensure all connections are snug.
3. **Install Shelves:** Insert the fixed shelves into their designated slots. Secure them with the appropriate fasteners.
4. **Attach Back Panels:** Secure the back panels to the rear of the bookshelf frame using small nails or screws. This adds stability.
5. **Install Doors:** Attach the hinges to the cabinet doors and then to the lower section of the bookshelf. Adjust hinges as needed for proper door alignment. Install door handles.

6. **Secure Anti-Tipping Device:** Locate the anti-tipping kit. Attach one bracket to the top rear of the bookshelf and the other to a wall stud using the provided hardware. Connect them with the strap or cable. This step is crucial for safety.

Image: Installation detail of the anti-tipping device, showing how it secures the unit to the wall.

7. **Final Check:** Ensure all connections are tight and the bookshelf is stable.

Operating Instructions

The IRONCK bookshelf is designed for organized storage and display. It features 8 open compartments and a

lower cabinet with doors.

- **Open Compartments:** Utilize the various sized open cubes for displaying books, decorative items, or small storage bins.

Image: The 8 open compartments of the bookshelf, demonstrating their use for organizing various items.

- **Cabinet Storage:** The lower cabinet provides enclosed storage for items you wish to keep out of sight. Open and close the doors gently using the handles.
- **Weight Distribution:** For optimal stability, place heavier items on lower shelves and distribute weight evenly across all shelves.

Maintenance

To ensure the longevity and appearance of your bookshelf, follow these maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent moisture damage.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.

Troubleshooting

Problem	Possible Cause	Solution
Bookshelf is wobbly	Loose fasteners; uneven floor; anti-tipping device not installed	Tighten all screws. Place shims under the base if the floor is uneven. Ensure the anti-tipping device is securely installed.
Doors do not align properly	Hinges are not adjusted correctly	Adjust the screws on the hinges to align the doors. Refer to hinge adjustment instructions if provided with hardware.
Missing parts	Packaging error	Contact IRONCK customer support with your model number and a description of the missing parts.

Specifications

- **Model:** 1061497
- **Material:** Engineered Wood (MDF)
- **Color:** Vintage Black
- **Overall Dimensions (D x W x H):** 11.81" x 31.3" x 70.63"
