3. Operating Instructions

3.1 Using as a Sleeping Bag

To use as a sleeping bag, ensure the zipper is closed along the side and bottom. Enter the bag and adjust the zipper for desired ventilation and warmth. The dimensions are 74 inches long by 30 inches wide when zipped.

3.2 Using as a Throw Blanket

The NEBO-SOFT Fleece Sleeping Bag can be fully unzipped to convert into a large throw blanket. Simply locate the zipper and pull it all the way around the edge until the bag lies flat. The blanket dimensions are approximately 74 inches by 60 inches.

3.3 Using as a Sleeping Bag Liner

This fleece sleeping bag can serve as an effective liner inside a larger sleeping bag for added warmth or hygiene. Unzip it fully or partially as needed to fit within your primary sleeping bag.

3.4 Pillow Usage

The included dual-fabric pillow features one side made of fleece and the other of cotton. Choose the fleece side for warmer, softer comfort, or the cotton side for cooler conditions. The pillow is designed to complement the sleeping bag for enhanced rest.

4. Care and Maintenance

Proper care will extend the life of your NEBO-SOFT Fleece Sleeping Bag and pillow. As the product is made of polyester fleece, general care instructions are as follows:

- **Washing:** Machine wash cold on a gentle cycle with similar colors. Use a mild detergent. Do not bleach.
- **Drying:** Tumble dry low or hang to dry. Avoid high heat, as it can damage the fleece fibers.
- **Storage:** Ensure the sleeping bag and pillow are completely dry before storing. Roll or fold neatly and place back into the provided stuff sack. Store in a cool, dry place away from direct sunlight.

5. Troubleshooting

5.1 Difficulty Packing into Stuff Sack

If you find it challenging to fit the sleeping bag back into its stuff sack, ensure it is rolled tightly and evenly. The sleeping bag comes with roll straps to assist in compacting it before insertion into the sack. For best results, fold the sleeping bag lengthwise first, then roll it tightly from one end to the other, securing with the straps before attempting to stuff it into the sack.
