T POWER TP-Je3-NE2

T-Power AC/DC Adapter Instruction Manual

For Mangroomer Professional Electric Back Hair Shaver (SKU 211-6)

1. Introduction and Product Overview

This manual provides essential instructions for the safe and effective use of your T-Power AC/DC Adapter. This adapter is specifically designed to provide power to the Mangroomer Professional Electric Back Hair Shaver, model SKU 211-6.

The T-Power adapter features an input voltage range of AC 100V - 240V, making it suitable for various power environments. It delivers a stable 6V DC output at 100mA, ensuring proper charging and operation for compatible devices.

Image 1.1: T-Power AC/DC Adapter connected to a Mangroomer Professional Back Hair Shaver.

Important Compatibility Information:

This T-Power adapter is ONLY compatible with the Mangroomer Professional Electric Back Hair Shaver, SKU 211-6 (model MPS005-0600010CU).

It is NOT compatible with the MANGROOMER LITHIUM MAX Back Shaver or the MANGROOMER ULTIMATE PRO Back Shaver.

Always verify the connector end of the adapter matches your device's input port before use. Refer to the product images for visual confirmation of compatible and incompatible models.

2. Safety Information

To ensure safe operation and prevent damage to the adapter or your device, please adhere to the following safety guidelines:

- Do not expose the adapter to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the adapter to strong impacts.
- Do not attempt to disassemble or modify the adapter.
- Ensure the adapter is used with devices that match its voltage and current specifications. Using an incompatible

adapter can cause damage.

- Unplug the adapter from the power outlet when not in use or during electrical storms.
- Keep out of reach of children.

The T-Power adapter is designed with multiple safety features, including:

- **Over-Current Protection:** Prevents damage from excessive current flow.
- **Over-Temperature Protection:** Safeguards against overheating.
- **Over-Voltage Protection:** Protects against voltage spikes.
- **Short-Circuit Protection:** Prevents damage from short circuits.

3. Setup Instructions

Follow these steps to set up your T-Power AC/DC Adapter:

1. **Verify Compatibility:** Before connecting, ensure your device is the Mangroomer Professional Electric Back Hair

Shaver (SKU 211-6) and that the adapter's connector matches your shaver's input port.

2. **Connect to Device:** Insert the barrel connector end of the T-Power adapter firmly into the charging port of your Mangroomer Professional Back Hair Shaver.
3. **Connect to Power Outlet:** Plug the AC plug of the T-Power adapter into a standard wall power outlet (AC 100V - 240V).
4. **Confirm Connection:** A charging indicator light on your shaver (if available) should illuminate, indicating that the device is receiving power.

4. Operating Instructions

The T-Power AC/DC Adapter is designed for straightforward operation:

1. Once properly connected as described in the Setup section, the adapter will begin supplying power to your Mangroomer Professional Back Hair Shaver.
2. Allow your shaver to charge fully according to its manufacturer's guidelines.
3. After charging is complete, or when the shaver is not in use, disconnect the adapter from both the shaver and the wall outlet.

5. Maintenance

Proper maintenance ensures the longevity and performance of your T-Power AC/DC Adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and moisture when not in use. Avoid wrapping the cord too tightly around the adapter to prevent damage to the cable.
- **Cable Care:** Regularly inspect the power cord for any signs of damage, such as fraying or exposed wires. If damage is found, discontinue use immediately and replace the adapter. The adapter features a reinforced cord for durability.

6. Troubleshooting

If you encounter issues with your T-Power AC/DC Adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device not charging or powering on.	1. Adapter not securely connected. 2. Power outlet is not functional. 3. Incompatible device.	1. Ensure the adapter's connector is fully inserted into the device and the AC plug is firmly in the wall outlet. 2. Test the power outlet with another device. 3. Verify your device is the Mangroomer Professional SKU 211-6. Refer to Section 1 for compatibility.

Problem	Possible Cause	Solution
Adapter feels excessively hot.	Overload or internal issue.	Immediately unplug the adapter from the wall and the device. Allow it to cool. If overheating persists, discontinue use and contact support.
Physical damage to the adapter or cable.	Wear and tear, accidental damage.	Discontinue use immediately. Do not attempt to repair. Replace the adapter.

7. Specifications

Detailed technical specifications for the T-Power AC/DC Adapter:

- **Brand:** T POWER
- **Model Number:** TP-Je3-NE2
- **Input Voltage Range:** AC 100V - 240V
- **Output Voltage:** 6 Volts DC
- **Output Current:** 0.1 Amps (100mA)
- **Connector Type:** Barrel Connector
- **Compatible Devices:** Mangroomer Professional Electric Back Hair Shaver (SKU 211-6, MPS005-0600010CU)
- **Special Feature:** Fast Charging
- **Item Weight:** Approximately 4 Ounces
- **Certifications:** CE/FCC/RoHS certified

8. Warranty and Support

T-Power is committed to providing quality products and customer satisfaction.

- **Warranty:** This T-Power adapter comes with a 1-year Limited Warranty from the date of purchase, covering manufacturing defects.
- **Return Policy:** You may return your undamaged product and packaging within 30 days of purchase to receive a full refund for any reason.
- **Technical Support:** For any inquiries, compatibility questions, or technical assistance, please contact T-Power customer service. Refer to the retailer's website or your purchase documentation for contact details.
