Zenna Home 9401CH

Zenna Home Drop Door Over-the-Toilet Bathroom Spacesaver

Model: 9401CH

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Zenna Home Drop Door Over-the-Toilet Spacesaver. This unit is designed to offer an attractive and functional storage solution for bathrooms with limited space, utilizing the area above your toilet.

Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Product Overview

The Zenna Home Drop Door Over-the-Toilet Spacesaver features a mix of concealed and open storage options. It includes a two-door cabinet at the top, an open shelf, and a drop-door cabinet at the bottom. The unit is constructed from manufactured wood with an espresso finish and chrome-finished hardware.

Key Features:

- **Efficient Storage:** Offers both hidden and open storage for bath items and decorative accessories.
- **Top Cabinet:** Two-door cabinet with a single interior storage shelf.

- **Open Shelf:** Provides additional space for display or easy access items.
- **Drop Door Cabinet:** Bottom cabinet for additional concealed storage.
- **Durable Construction:** Made of manufactured wood with an espresso finish.
- **Chrome Hardware:** Complements the espresso finish.
- **Toilet Clearance:** Bottom shelf is 31.75 inches from the ground, fitting most standard height toilets. Leg extensions (model 9319CHKT) are available separately for taller toilets.

Setup and Assembly

Assembly of the spacesaver is required. All necessary hardware and step-by-step instructions are included with your product. Please ensure you have all parts before beginning assembly.

Tools Required (Not Included):

- Phillips Head Screwdriver
- Hammer
- Allen Wrench (one is typically included for specific fasteners)

Important Notes Before Assembly:

- Clear a spacious area for assembly.
- Review the parts list to ensure all components are present.
- Follow the numbered steps in the included instruction booklet precisely.
- Do not overtighten screws to avoid damaging the wood.
- For stability, ensure all connections are secure once assembly is complete.

Operating Instructions

Once assembled and placed securely over your toilet, the spacesaver is ready for use. It provides versatile storage for various bathroom essentials.

- **Top Cabinet:** Use the two doors to access the concealed shelf for items you wish to keep out of sight, such as medications or extra toiletries.
- **Open Shelf:** Ideal for displaying decorative items, storing frequently used toiletries, or keeping a roll of toilet paper within easy reach.
- **Drop Door Cabinet:** The bottom drop-door provides additional hidden storage, suitable for cleaning supplies or

other bathroom necessities.

Maintenance

To maintain the appearance and longevity of your Zenna Home Spacesaver, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent water damage or staining.
- **Hardware:** Periodically check and tighten any loose hardware to ensure stability.

Troubleshooting

If you encounter any issues with your spacesaver, refer to the following common solutions:

- **Unit is Wobbly:** Ensure all screws and fasteners are securely tightened. Check that the unit is placed on a level

surface.

- **Doors Not Closing Properly:** Verify that the hinges are correctly installed and tightened. Check for any obstructions within the cabinet.
- **Insufficient Toilet Clearance:** The bottom shelf is 31.75 inches from the ground. If your toilet is taller, consider purchasing Zenna Home leg extensions (model 9319CHKT) for additional height.
