FS IPC304-8M-D Network Camera

Specifications

- Product Name: FS Network Camera Accessory
- Mounting Options: Wall Mount, Pendant Mount, Corner Mount, Pole Mount, Junction Box Mount, Ceiling Mount, Tilted Mount
- Compatibility: Compatible with various FS Network Cameras

Overview

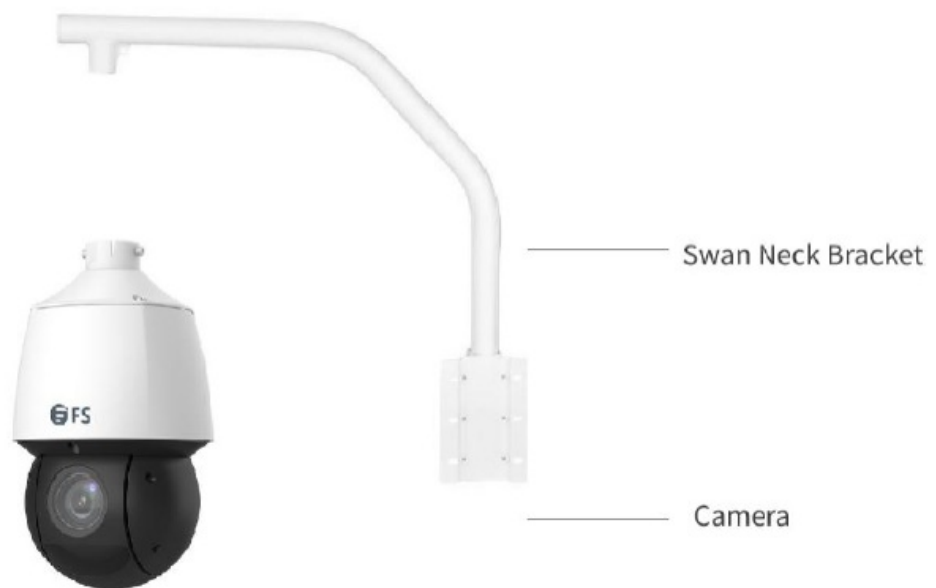

FS Network Camera can be mounted in a variety of ways. This document describes the parts that are required for some of the more popular mounting configurations, which aims to help you install all the cameras. You may check the contents of this document to find the way you want to install, or search for the products you are interested in, to find the different ways of installation.

FAQ

- **Q: Can I use these accessories with any other brand of network cameras?**
 - A: These accessories are designed specifically for FS Network Cameras and may not be compatible with cameras from other brands.
- **Q: Are waterproof joints included with all mounting options?**
 - A: Waterproof joints are optional accessories and may not be included with all mounting options. Check the product description for details.
