Peerless-AV ST630P

PEERLESS-AV ST630P Universal Tilt Wall Mount

Model: ST630P

Product Overview

The Peerless-AV ST630P is a universal tilt wall mount designed for televisions ranging from 10 inches to 24 inches. It is engineered to securely hold displays weighing up to 80 pounds. This mount offers versatile installation options and adjustable tilt functionality for optimal viewing angles.

Key features include compatibility with various wall types and standard VESA mounting patterns, along with a convenient one-touch tilt adjustment mechanism.

Setup and Installation

Before beginning installation, ensure you have all necessary tools and hardware. The ST630P mount includes all required mounting and screen attachment hardware.

Wall Compatibility

- **Wood Studs:** The mount is designed to attach to a single wood stud.
- **Concrete, Cinder Block, or Metal Studs:** For these wall types, accessory metal stud fasteners are required (sold separately).

TV Compatibility

- **Screen Size:** Compatible with televisions from 10 inches to 24 inches.
- **Weight Capacity:** Supports displays up to 80 pounds (36.3 kg).
- **VESA Patterns:** The screen adapter plate is compatible with VESA® 75 (75x75mm) and VESA® 100 (100x100mm) mounting patterns.

Installation Steps (General Guidelines)

1. **Locate Mounting Position:** Identify the desired mounting location on the wall, ensuring it aligns with a wood stud or is suitable for concrete/metal stud installation.
2. **Attach Wall Plate:** Securely fasten the wall plate to the chosen wall surface using the appropriate hardware. Ensure it is level and firmly anchored.
3. **Attach TV Brackets:** Mount the adapter brackets to the back of your television, aligning with the VESA mounting holes.

4. **Mount TV to Wall Plate:** Carefully lift the television with the attached brackets and hook it onto the wall plate. Ensure the TV is securely seated.
5. **Secure TV:** Use the provided locking mechanisms or screws to secure the TV to the wall plate, preventing accidental dislodgement.

Note: *Always refer to the detailed installation guide included in your product packaging for specific, step-by-step instructions and safety warnings. Professional installation is recommended if you are unsure about any part of the process.*

Operating Instructions

The Peerless-AV ST630P mount features a simple and effective tilt mechanism to optimize your viewing experience.

Adjusting Tilt Angle

- The mount offers a **1-touch adjustable tilt** range of +15° (upward) to -5° (downward).
- To adjust, gently push or pull the bottom of the television to achieve the desired tilt angle.
- Once the desired angle is set, the tilt mechanism can be**tightened in place** using the integrated knobs or screws to prevent unwanted movement.

Maintenance

Regular maintenance helps ensure the longevity and safe operation of your wall mount.

- **Cleaning:** Use a soft, dry cloth to wipe down the mount. Avoid abrasive cleaners or solvents that could damage the finish.
- **Periodic Checks:** Periodically inspect all mounting screws and connections to ensure they remain tight and secure. Over time, vibrations or minor shifts can loosen fasteners.
- **Weight Limits:** Do not exceed the maximum weight capacity of 80 lbs (36.3 kg).

Troubleshooting

If you encounter issues with your Peerless-AV ST630P wall mount, consider the following common solutions:

- **Mount Feels Loose:**
  - Check all wall mounting screws and TV attachment screws. Tighten any that are loose.
  - Ensure the wall material is appropriate for the fasteners used.
- **Difficulty Adjusting Tilt:**
  - Verify that the tilt tightening knobs/screws are not overly tightened. Loosen them slightly to allow adjustment, then re-tighten.
  - Ensure the TV weight is within the specified limit.
- **TV Not Level:**
  - Re-check the level of the wall plate during installation. Minor adjustments may be possible depending on the mount design.

If problems persist, consult the full installation manual or contact Peerless-AV customer support.

Specifications

Feature	Detail
Model Number	ST630P
Brand	Peerless-AV
Compatible TV Sizes	10" - 24"
Weight Capacity	Up to 80 lbs (36.3 kg)
Mounting Type	Wall Mount
