smartwater Vapor Distilled Premium Water Bottles 1 Liter 6 Pack Instruction Manual

Official instruction manual for smartwater vapor distilled premium water bottles, 1 Liter, 6 Pack. Learn about product features, usage, and specifications.

1. Product Overview

smartwater offers a refreshing and pure hydration experience. This product consists of six 1-liter (33.8 Fl Oz) bottles of vapor-distilled water, enhanced with electrolytes for a distinctly crisp and clean taste. The purification process mimics nature's hydrologic cycle, ensuring high quality water. It is free of sugar, calories, coloring, and artificial flavors, making it an ideal choice for daily hydration.

2. Setup and First Use

Upon receiving your smartwater 6-pack, carefully remove the bottles from their packaging. No assembly is required. For optimal refreshment, store bottles in a cool, dry place away from direct sunlight. Refrigeration is recommended for a chilled drinking experience.

- **Unpacking:** Remove the plastic wrap from the 6-pack.
- **Storage:** Keep bottles in a cool, dry environment. Refrigerate for best taste.
- **Opening:** Twist the cap counter-clockwise to break the seal and open the bottle.

3. Operating Instructions (Usage)

smartwater is designed for convenient hydration throughout your day. Simply open a bottle and enjoy its crisp taste. The 1-liter size is perfect for staying hydrated at home, in the office, or while on the go.

Hydration Tips:

- Drink regularly throughout the day to maintain optimal hydration.
- Carry a bottle with you for easy access to water.
- Ideal for post-workout recovery or simply quenching thirst.

4. Maintenance

smartwater bottles are intended for single use. After consumption, please recycle the plastic bottles according to local regulations. Do not refill or reuse the bottles for extended periods, as they are not designed for repeated washing and sanitization.

Recycling Information:

The smartwater bottles are made from recyclable plastic. Look for the recycling symbol on the bottle and dispose of it in appropriate recycling bins.

5. Troubleshooting

As smartwater is a pre-packaged beverage, extensive troubleshooting is generally not required. However, if you encounter any issues with product quality, such as an unusual taste or appearance, please refer to the "Warranty and Support" section for contact information.

6. Specifications
