Paladone PP2290SNTX

Paladone Sonic Pixel Bricks PP2290SNTX Instruction Manual

Model: PP2290SNTX

1. Introduction

This manual provides detailed instructions for the assembly, care, and maintenance of your Paladone Sonic Pixel Bricks set, model PP2290SNTX. This set allows you to construct a pixelated representation of Sonic the Hedgehog using 210 mini building bricks. Please read all instructions carefully before beginning assembly.

2. Safety Information

Please observe the following safety guidelines:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 36 months (3 years) of age.
- **Recommended Age:** This product is recommended for ages 6 years and older.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger users, due to the small size of the bricks.

3. Setup and Assembly

Your Sonic Pixel Bricks set includes 210 individual pixel bricks and a detailed instruction manual. Follow the steps below to assemble your Sonic figure.

1. **Unpack Contents:** Carefully open the product packaging and remove all brick bags and the printed instruction manual.
2. **Organize Bricks:** It is recommended to sort the bricks by color and shape before beginning assembly. This can significantly aid in following the instructions.
3. **Follow Included Manual:** Refer to the specific step-by-step diagrams and instructions provided in the physical instruction manual included in your product box. The manual will guide you through the layer-by-layer construction of the Sonic figure.
4. **Precision:** Due to the small size of the bricks, careful placement is essential. Ensure each brick is firmly connected to the adjacent bricks.

4. Operating and Display

Once assembled, your Sonic Pixel Bricks figure is a static display item. It is designed for display and gentle handling.

- **Display:** Place the assembled figure on a stable, flat surface away from direct sunlight or extreme temperatures to prevent potential material degradation.
- **Handling:** Handle the figure gently to avoid dislodging any bricks. While durable, excessive force can cause parts to separate.

5. Maintenance and Care

To keep your Sonic Pixel Bricks figure in optimal condition, follow these simple care instructions:

- **Cleaning:** Dust the figure regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, lightly dampen a cloth with water and gently wipe the surface. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling or storing the bricks, keep them in a sealed container to prevent loss and protect them from dust.

6. Troubleshooting

If you encounter difficulties during assembly, consider the following:

- **Instructions Seem Unclear:** The included instruction manual uses visual diagrams. If a step is unclear, try rotating the manual or the partially built model to match the perspective shown in the diagram. Sometimes, reviewing previous steps can clarify the current one.
- **Missing or Damaged Pieces:** While rare, if you believe you have missing or damaged pieces, carefully re-check all packaging materials. If pieces are genuinely missing or defective, contact Paladone customer support for assistance.
- **Bricks Not Connecting Firmly:** Ensure that the studs on the bricks are properly aligned with the holes. Apply gentle, even pressure to secure the connection.

7. Specifications

Product Name	Sonic Pixel Bricks
Brand	Paladone

Model Number	PP2290SNTX
Number of Pieces	210 Pixel Bricks
Assembled Height (Approx.)	7.6 cm (3 inches)
Product Dimensions	2.5 x 1 x 7 inches
Item Weight	2.08 ounces
Material	Polypropylene
