Port Authority L567

Port Authority Women's 5 in 1 Performance Pique Polo L567 User Manual

Model: L567

Product Overview

The Port Authority Women's 5 in 1 Performance Pique Polo (Model L567) is engineered for comfort and durability. This polo incorporates advanced fabric technology to deliver multiple performance benefits suitable for various environments.

Image: A woman wearing the Port Authority Women's Performance Pique Polo in Chocolate Brown. The polo features a collared neck, a

four-button placket, and short sleeves. The fabric exhibits a subtle pique texture.

Key Features:

- **Fabric Composition:** Constructed from 5.3-ounce 100% polyester (5.6-ounce for White variants).
- **Performance Benefits:** Features exceptional moisture-wicking, odor-fighting properties, resistance to pilling and snags, and a soil-release finish.
- **Design Details:** Includes a gently contoured silhouette, double-needle stitching throughout, flat knit collar and cuffs, an elongated 4-button placket with dyed-to-match buttons, side seam panels, and side vents.

Wearing Instructions

This polo shirt is suitable for everyday wear and various activities. Follow these simple instructions for optimal comfort and appearance:

1. **Selection:** Choose the appropriate size for a comfortable fit. Refer to any available size guides for accurate measurements.
2. **Donning:** Slip the polo over your head and arms.
3. **Adjustments:** Adjust the collar and button the placket as desired to achieve your preferred style and comfort level.

Care and Maintenance

To maintain the quality, performance, and longevity of your Port Authority Performance Pique Polo, adhere to these care instructions:

- **Washing:** Machine wash in cold water with similar colors.
- **Detergent:** Use a mild detergent. Avoid using bleach or harsh chemicals, as these can compromise the fabric's performance properties and color.
- **Drying:** Tumble dry on a low heat setting. Remove the garment promptly from the dryer to minimize wrinkling. Air drying is also an effective method.
- **Ironing:** If ironing is necessary, use a low heat setting. Do not iron directly on any printed or embroidered areas to prevent damage.
- **Special Features:** The fabric's inherent moisture-wicking, odor-fighting, low-pill, snag-resistant, and soil-release characteristics are designed to endure regular washing when these guidelines are followed.
