GE 93130503 Dimmer Touch Controls

Complete setup in the CYNC App then see what it can do

Install
your Smart
Switch

Download
the CYNC App

Add
your Smart Switch to
the CYNC App

- **Automate your lights to turn on when you come home.**

- Go to Sync App and schedule times to turn your lights on and off under routines.

- **Use your voice to turn off the lights.**

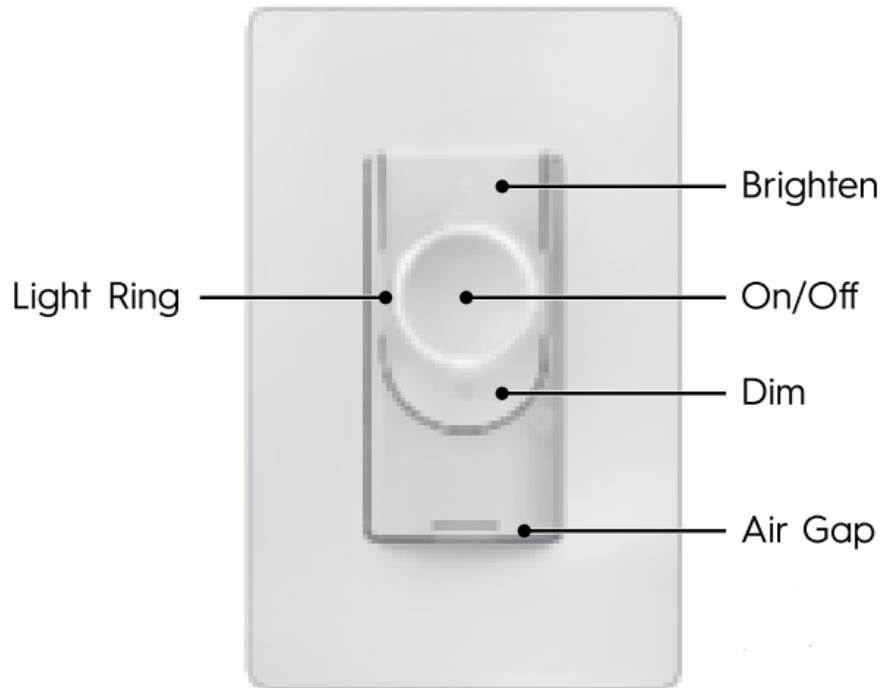

- Connect to Amazon Alexa or Hey Google voice assistants in the Cync App (sold separately), then say Alexa, turn off lights or Hey Google, turn off lights.

- **Control other CYNC or C by GE lights in the room with your switch.**

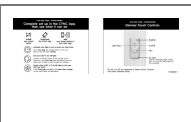

- In the CYNC App, add lights to the same room or group as your switch (lights sold separately).

Dimmer Touch Controls

- (When changing light bulbs, pull out to turn off the power of the sockets)
- GE and C by GE are trademarks of General Electric Company.
- Used under trademark license.
