Safety Information

Always follow basic safety precautions when installing and operating electrical products to reduce the risk of fire, electric shock, and personal injury.

- Ensure the power supply is disconnected before installation or maintenance.
- Installation should be performed by a qualified electrician if you are unsure.
- Do not exceed the maximum wattage specified for the bulb.
- This product is designed for indoor use only.
- Keep away from water and moisture.

Package Contents

Verify that all components are present before beginning installation:

- 1 x Tecnolite CTL-7410/AL Pendant Lamp (Luminaire)
- 1 x Instruction Manual
- Mounting Hardware (pre-attached or included)

Setup and Installation

Follow these steps for proper installation of your pendant lamp:

1. **Prepare the Installation Area:** Ensure the power to the circuit is turned off at the main breaker.
2. **Mount the Canopy:** Secure the lamp's canopy to the ceiling junction box using the provided mounting hardware. Ensure it is firmly attached.
3. **Adjust Cable Length:** The pendant lamp features an adjustable cable. Conceal any excess cable inside the canopy to achieve the desired hanging height.

Image: Illustration demonstrating the adjustable cable mechanism, allowing height customization without cutting the cable.

4. **Wire Connections:** Connect the lamp's wires to the household electrical wires according to local electrical codes. Typically, this involves connecting live to live, neutral to neutral, and ground to ground. Use appropriate wire connectors.
5. **Install the Bulb:** Insert an E27 base bulb (not included) into the lamp socket. Ensure the bulb's wattage does not exceed 26W.

Image: Icon signifying that the lamp is compatible with most E27 base bulbs available in the market.

6. **Secure the Lamp Shade:** If applicable, secure the lamp shade or diffuser to the main fixture.
7. **Restore Power:** Once installation is complete and all connections are secure, restore power at the main breaker.

Operating Instructions

The Tecnolite CTL-7410/AL Pendant Lamp operates like any standard lighting fixture. Once properly installed and connected to a power source, it can be controlled via a wall switch or dimmer (if compatible and installed).

- **Turning On/Off:** Use the wall switch connected to the lamp's circuit to turn the light on or off.
- **Dimming (Optional):** If a compatible dimmer switch is installed, you can adjust the light intensity by rotating or sliding the dimmer control.

Image: Examples of pendant lamps, including the CTL-7410/AL, installed in various rooms, highlighting their versatility as focal points in kitchens, dining rooms, and living spaces.

Maintenance

Regular maintenance ensures the longevity and optimal performance of your lamp.

- **Cleaning:** Disconnect power before cleaning. Wipe the lamp with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** Ensure power is off. Allow the old bulb to cool before unscrewing it. Replace with a new E27 base bulb, not exceeding 26W.
- **Inspection:** Periodically check for any loose connections or damage to the wiring. If any issues are found, consult a qualified electrician.

Troubleshooting

If you encounter issues with your lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power to the circuit; Loose wiring connection; Faulty bulb; Faulty switch.	Check circuit breaker; Verify all wire connections are secure; Replace bulb; Test or replace switch.
Light flickers.	Loose bulb; Incompatible dimmer switch; Loose wiring.	Tighten bulb; Ensure dimmer is compatible with LED bulbs (if using LED); Check wiring connections.
Lamp makes buzzing noise.	Incompatible dimmer switch; Loose components.	Replace dimmer with a compatible one; Check for any loose parts within the fixture.

Specifications

Detailed technical specifications for the Tecnolite CTL-7410/AL Pendant Lamp:

Feature	Detail
Model Number	CTL-7410/AL
Manufacturer	Tecnolite
Color	Aluminum
Style	Large
Material	Aluminum
Shape	Circular
Power Source	Corded Electric
Voltage	127 Volts
Wattage	26 watts (Max)
Number of Pieces	1
Bulb Type	LED (Compatible)
Bulb Base	E27
Mounting Profile	Ceiling Mount
Usage	Indoor Use Only
Item Weight	2.12 Kilograms
Product Dimensions (L x W x H)	32.3 x 32.3 x 164 cm
