Skullcandy Smokin' Buds 2, Jib+

Skullcandy Smokin' Buds 2 Wireless + Jib+ Wireless Earbuds Bundle User Manual

Model: Smokin' Buds 2, Jib+

Introduction

This manual provides essential information for the Skullcandy Smokin' Buds 2 Wireless and Jib+ Wireless Earbuds Bundle. The Smokin' Buds 2 Wireless offer Bluetooth functionality with a lightweight, flexible, and removable around-the-neck collar, designed for comfort and 6 hours of continuous music. The Jib+ Wireless Earbuds provide wireless freedom with up to 6 hours of battery life and splash-resistance. Both models are designed to deliver a high-quality audio experience.

Setup

1. Unboxing and Components

Upon opening your Skullcandy Earbuds Bundle, you will find the following components:

- Skullcandy Smokin' Buds 2 Wireless Earbuds
- Skullcandy Jib+ Wireless Earbuds
- Eartips (various sizes for optimal fit)
- Charging Cable (Micro USB)

2. Charging Your Earbuds

Before first use, it is recommended to fully charge your earbuds. The Smokin' Buds 2 require approximately 2.5 hours for a full recharge. The Jib+ earbuds also offer quick charging capabilities.

- Locate the charging port on the earbuds (Micro USB).
- Connect the provided charging cable to the earbuds and a compatible USB power source.
- An indicator light will show charging status (refer to specific model instructions for light behavior).

3. Bluetooth Pairing

Both earbuds utilize Bluetooth 5.0 connectivity for seamless pairing with your devices.

1. Ensure your earbuds are charged and powered on.
2. Activate Bluetooth on your device (e.g., smartphone, laptop, tablet).
3. Search for available Bluetooth devices.
4. Select "Skullcandy Smokin' Buds 2" or "Skullcandy Jib+" from the list.
5. Once paired, the earbuds will typically connect automatically to your device when powered on and in range.

Operating Instructions

1. Controls

Both earbud models feature integrated media controls for convenient operation.

- **Power On/Off:** Press and hold the multi-function button.
- **Play/Pause:** Single press the multi-function button.
- **Volume Up/Down:** Use the dedicated volume buttons (+/-).
- **Track Skip:** Long press volume buttons (e.g., + for next track, - for previous track).
- **Answer/End Call:** Single press the multi-function button during an incoming call.
- **Voice Assistant:** Double press the multi-function button (Jib+ features touch control).

2. Wearing the Earbuds

The earbuds are designed for comfortable and secure in-ear placement.

- The Smokin' Buds 2 feature an angled oval-shaped nozzle that aligns with the natural ear shape for enhanced comfort and fit.
- The Jib+ earbuds also offer a secure fit with noise-isolating ear tips.
- Experiment with the included eartip sizes to find the best seal for optimal sound quality and comfort.

3. Battery Life and Features

Both models provide reliable battery performance and additional features for an enhanced listening experience.

- **Battery Life:** Enjoy up to 6 hours of continuous playback on a single charge for both models.
- **Microphone:** An integrated microphone allows for hands-free calls.
- **Noise Isolation:** The in-ear design provides sound isolation, blocking unwanted distractions for a focused audio experience.
- **Sweat Resistance:** Both earbuds are sweat resistant, making them suitable for active use.

Maintenance

Proper maintenance ensures the longevity and performance of your Skullcandy earbuds.

- **Cleaning:** Regularly wipe the earbuds and eartips with a soft, dry, lint-free cloth. For deeper cleaning of eartips, remove them and wash with mild soap and water, then dry completely before reattaching.
- **Storage:** When not in use, store your earbuds in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tangling cables.
- **Water Exposure:** While sweat resistant, avoid submerging the earbuds in water. Dry them thoroughly if they come into contact with moisture.

Troubleshooting

If you encounter issues with your Skullcandy earbuds, try the following common troubleshooting steps:

- **No Power:** Ensure the earbuds are fully charged. Connect them to a power source and check the charging indicator light.
- **Cannot Pair:**
  - Make sure Bluetooth is enabled on your device.
  - Ensure the earbuds are in pairing mode (often indicated by a flashing light).
  - Turn off and on your device's Bluetooth.
  - Forget the device from your Bluetooth list and try pairing again.
  - Ensure earbuds are within Bluetooth range (typically 10 meters/33 feet).
- **No Sound/Low Volume:**
  - Check the volume levels on both your earbuds and your connected device.
  - Ensure the earbuds are properly seated in your ears.
  - Try playing different audio sources.
- **Intermittent Connection:**
  - Move closer to your connected device.
  - Avoid physical obstructions between the earbuds and your device.
  - Minimize interference from other wireless devices.
