Product overview

- **The simplicity of wireless:** Screen mirroring for iOS 8 up and Android 4.4 up smart devices, seamlessly connects and displays your content without the hassle of wires or dongles.
- **Grab and Go:** Weighing at only 0.3 lb (140 g), plus with its compact size, you can effortlessly slip this into your bag or even in your back pocket. Carry it with you around your home, the office and anywhere in between.
- **The big screen in the palm of your hands:** Project a screen size of up to 100 inches (255 cm) to enjoy a viewing experience with cinema-like familiarity and up to 80 minutes of continuous projection.
- **Plug and Play:** Connect your device with the bundled cable into the HDMI-In port, for a swift, effortless setup.
- **Stunning imagery:** Featuring a high-contrast optical engine powered by Texas Instruments DLP® LED technology, with brightness rated at 100 lumens, imagery is bright, vivid, and sharp with precise color tones.

Warranty and support

- **Peace-of-mind coverage:** Rest easy with an HP standard one-year limited warranty.
