PKPOWER SG_B01IP5MBSU_US

PKPower AC Adapter User Manual

Model: SG_B01IP5MBSU_US

Product Overview

This manual provides instructions for the safe and effective use of your PKPower AC Adapter. This adapter is designed to provide power to compatible devices such as the G-Project G-Boom G-650 Wireless Bluetooth Boombox Speaker and Snap-On MODIS Scanner models EEMS300, EESC300, and EEMS300F14, as well as Snap-On P/N 2-35466A & EAK0276B02A power supplies.

Image description: A black AC adapter with a two-prong US plug on one side and an attached DC output cable with a barrel connector on the other. The adapter body displays "AC Adapter", "Input: 100-240VAC 0.3A 50/60Hz", and "MADE IN CHINA" along with certification logos.

Important Safety Instructions

- Read all instructions carefully before use.
- Do not expose the adapter to rain or moisture.
- Do not disassemble the adapter. Refer servicing to qualified personnel.
- Disconnect the adapter from the power source when not in use or during electrical storms.
- Ensure the adapter's voltage and current ratings match your device's requirements.
- If any abnormal condition occurs (e.g., overheating, smoke), immediately stop using the product and contact customer service.

Setup Guide

1. **Unpack the Adapter:** Carefully remove the AC adapter from its packaging.
2. **Inspect for Damage:** Before connecting, visually inspect the adapter and its cable for any signs of damage. Do not use if damaged.
3. **Connect to Device:** Insert the barrel connector of the AC adapter's output cable into the power input port of your compatible device (e.g., G-Boom speaker, Snap-On scanner). Ensure a secure fit.
4. **Connect to Power Outlet:** Plug the AC adapter's two-prong plug into a standard 100-240V AC wall outlet.

Image description: The PKPower AC adapter shown with its output cable neatly coiled and secured, highlighting its compact design.

Operating Your AC Adapter

Once properly connected, the AC adapter will begin supplying power to your device.

- **Power Supply:** The adapter provides a stable 12V 2A output, suitable for charging and operating compatible devices.
- **Charging Indicator:** If your device has a charging indicator light, observe it to confirm that charging is in progress.

- **Compatibility:** This adapter is compatible with devices requiring 12V power with a matching barrel connector, including G-Project G-Boom G-650, Snap-On MODIS Scanner EEMS300, EESC300, EEMS300F14, and Snap-On P/N 2-35466A & EAK0276B02A.

Care and Maintenance

- **Cleaning:** Use a soft, dry cloth to clean the adapter. Do not use liquid cleaners or aerosols.
- **Storage:** When not in use, store the adapter in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Avoid bending or crimping the cable excessively, especially near the connectors, to prevent internal wire damage.
- **Disconnection:** Always pull the plug from the outlet, not the cord, when disconnecting.

Troubleshooting

Problem	Possible Cause	Solution
Device not powering on/charging	Adapter not plugged in	Ensure adapter is securely plugged into both the device and the wall outlet.
Device not powering on/charging	Faulty outlet	Try plugging the adapter into a different working electrical outlet.
Device not powering on/charging	Incompatible device	Verify your device's power requirements match the adapter's output (12V 2A).
Device not powering on/charging	Damaged adapter/cable	Inspect the adapter and cable for visible damage. If damaged, discontinue use and contact customer service.
Adapter feels hot	Normal operation	It is normal for the adapter to feel warm during use. If it becomes excessively hot or emits smoke/odor, unplug immediately and contact customer service.

Product Specifications

Feature	Detail
Input	100-240V 50-60Hz
Output	12V 2A
Connector Type	Barrel (as pictured)
Package Dimensions	3.31 x 2.52 x 2.05 inches
Item Weight	2.39 ounces

Feature	Detail
ASIN	B01IP5MBSU
Item Model Number	SG_B01IP5MBSU_US
Manufacturer	PK-Power
Country of Origin	China
Brand	PKPOWER
Compatible Devices	Speakers (G-Project G-Boom), Scan Tools (Snap-On MODIS Scanner)
