Design and specifications are subject to change without notice.

Caution

- Connect the power cord to the wall outlet directly if possible. Or when you use an extension cable, it is highly recommended to use an extension cable of 110 V / 15 A or 230 V / 15 A, otherwise, the unit may not operate properly because of the lack of power supply.
- Do not overload the extension cord with excessive electrical load.

Note

- Do not look directly at the light-emitting part when the LIGHTING is turned on.
- If the illumination brightness is glaring, switch on the room lights or turn off the LIGHTING of the unit.

How to disconnect the wireless network connection or the wireless device

Turn off the unit by pressing the power button for more than 5 seconds

Replacement of battery

Declaration of Conformity

Hereby, LG Electronics declares that the radio equipment type Mini Hi-Fi Audio is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:
<http://www.lg.com/global/support/cedoc/cedoc#>

For the consideration of the user, this device should be installed and operated with a minimum distance of 20 cm between the device and the body.

Please read this manual carefully before operating your set and retain it for future reference.

To view the instructions for advanced features, visit <http://www.lg.com> and then download Owner's Manual.

Some of the content in this manual may differ from your unit.
