Pure Enrichment PEHPAD24-G

Pure Enrichment PureRelief XL Heating Pad (Model PEHPAD24-G) - User Manual

Brand: Pure Enrichment | Model: PEHPAD24-G

Introduction

The Pure Enrichment PureRelief XL Heating Pad is designed to provide targeted heat therapy for temporary relief from muscle aches, cramps, and tension. This extra-large pad offers versatile use with multiple heat settings and an optional moist heat feature, all within a soft, machine-washable fabric.

Safety Information

CAUTION: For external use only. Read all instructions before use.

- Do not use on broken or irritated skin.
- Do not apply heat directly to the face, neck, or genital area.
- Do not sleep with the heating pad on.
- Always keep a safe distance from water sources.
- This product is not a substitute for medical treatment. If symptoms persist, consult a healthcare professional.
- Do not use pins or other metallic means to fasten this pad in place.
- Never pull this pad by the supply cord.

- Do not use the cord as a handle.
- Carefully examine the cover before each use. Discard the pad if the covering shows any signs of deterioration.
- Loop the cord loosely when storing; tight wrapping may damage the cord and internal parts.

Product Features

- **Extra-Large Size:** Therapeutic 12" x 24" dimensions for broad coverage.
- **InstaHeat Technology:** Heats up within seconds for rapid relief.
- **6 Heat Settings:** Adjustable temperature from 105°F to 140°F.
- **Dry or Moist Heat Therapy:** Can be used dry or dampened for deeper heat penetration.
- **2-Hour Auto Shut-Off:** Enhances safety and conserves energy.
- **Soft Microplush Fabric:** Gentle and comforting, machine-washable.
- **Extra-Long 9-Foot Cord:** Provides flexibility in placement and use.
- **Detachable LCD Controller:** Easy to read and operate.

Setup and Operation

1. **Connect:** Plug the heating pad into a standard electrical outlet.
2. **Power On:** Press the power button on the LCD controller to turn on the device.
3. **Select Heat Setting:** Use the 'Heat Up' and 'Heat Down' buttons to choose your desired temperature from 1 to 6 (105°F-140°F). The selected setting will display on the LCD screen.
4. **Apply:** Place the heating pad on the desired area of the body. The pad heats up within seconds.
5. **Auto-Off/Stay-On:** The pad defaults to a 2-hour auto shut-off. To keep the pad on continuously, press the 'Stay On' button. The corresponding indicator light will illuminate.

6. **Power Off:** Press the power button again to turn off the heating pad. Unplug the device from the outlet when not in use.

Moist Heat Therapy

For enhanced heat penetration and deeper muscle relaxation, the PureRelief XL Heating Pad can be used with moist heat.

1. Lightly dampen the pad with a spray bottle filled with water. Do not saturate the pad.
2. Ensure the pad is not dripping wet before use.
3. Proceed with normal operation as described in the 'Setup and Operation' section.

Image: A hand using a spray bottle to lightly moisten the heating pad for moist heat application.

Care and Maintenance

The soft microplush fabric of your heating pad is machine washable for easy cleaning.

1. **Disconnect:** Always disconnect the cord from the heating pad by squeezing the locking clips on the connector with one hand and pulling firmly with the other hand.
2. **Machine Wash:** Wash the pad in cold water on a gentle cycle.
3. **Drying:** Tumble dry on low heat or line dry. Remove promptly from the dryer once completely dry.
4. **Storage:** Loop the cord loosely when storing. Tight wrapping may damage the cord and internal parts.
5. **Important:** Do not dry clean. Do not use bleach. Do not use a wringer. Do not plug in the pad and pad connector until they are completely dry.
