Ergohuman 9011

Ergohuman Dakota 9011 Stackable Chair User Manual

Model: 9011

1. Introduction

Thank you for choosing the Ergohuman Dakota 9011 Stackable Chair. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new chair. Please read these instructions carefully before assembly and retain them for future reference.
The Dakota 9011 is designed as a versatile guest or multi-purpose chair, featuring a durable steel frame and comfortable upholstered seats.

2. Product Features

- Multi-purpose design suitable for waiting areas, offices, and exam rooms.
- Soft fabric back and comfortable padded seat for enhanced comfort.
- Sturdy metal base ensures durability and stability.
- Stylishly curved arms provide comfortable support.
- Stackable design (up to 4 chairs) for efficient storage.
- Dimensions: 24 inches wide x 20 inches deep x 33 inches high.

3. Assembly Instructions

Assembly is required for the Ergohuman Dakota 9011 Stackable Chair. Please follow these general guidelines and any specific instructions included in the packaging.

1. **Unpack all components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify that all parts listed in the included parts list are present.
2. **Identify hardware:** Separate and identify all screws, bolts, and tools provided.
3. **Attach the backrest:** Securely attach the backrest to the frame using the designated hardware. Do not overtighten initially.
4. **Attach the seat:** Connect the seat to the frame, ensuring proper alignment. Fasten with the appropriate hardware.
5. **Attach arms (if separate):** If the arms are separate, attach them to the chair frame.
6. **Tighten all fasteners:** Once all components are loosely assembled, gradually tighten all screws and bolts. Ensure the chair is stable and all connections are secure.

7. **Final check:** Before use, gently shake the chair to confirm stability.

Important Safety Note: Do not use power tools for assembly as this may damage the components. Ensure all fasteners are tightened securely before using the chair.

4. Operating Instructions (Usage)

The Ergohuman Dakota 9011 Stackable Chair is designed for general seating purposes in office, waiting room, or similar environments.

- **Weight Capacity:** This chair is designed to support a maximum weight of 250 lbs (approximately 113 kg). Do not exceed this weight limit to prevent damage or injury.
- **Stacking:** For storage, the chairs can be stacked up to 4 units high. Ensure chairs are aligned properly before stacking to prevent tipping.
- **Placement:** Place the chair on a stable, level surface. It is recommended for indoor use on hard floor surfaces.
- **Intended Use:** This chair is intended for sitting. Avoid standing on the chair or using it as a step stool.

5. Maintenance and Care

Proper care will extend the life and appearance of your Ergohuman Dakota 9011 Stackable Chair.

- **Cleaning:** Wipe clean with a damp cloth. For fabric surfaces, use a mild fabric cleaner if necessary, testing on an inconspicuous area first. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Storage:** When storing, stack chairs carefully to prevent damage to upholstery or frame. Store in a dry environment.

6. Troubleshooting

If you encounter any issues with your Ergohuman Dakota 9011 Stackable Chair, please refer to the following common solutions:

- **Chair feels wobbly:** Ensure all assembly screws and bolts are fully tightened. Check that the chair is placed on a flat, even surface.
- **Squeaking noises:** Inspect all connection points. A small amount of silicone spray on metal-to-metal contact points (avoiding fabric) may resolve squeaking.
- **Damage during shipping:** If any parts are damaged or missing upon arrival, do not proceed with assembly. Contact customer support immediately.
