Garnier Db Intense Bleach

Garnier Nutrisse Ultra Color Intense Bleach DB User Manual

Intense Lightener for Soft Black to Blonde Hair

1. Important Safety Warnings

READ AND FOLLOW THE ENCLOSED INSERT COMPLETELY PRIOR TO USE.

- **KEEP OUT OF REACH OF CHILDREN.**
- **AVOID CONTACT WITH EYES AND SKIN.** If contact occurs, rinse immediately with water.
- This product contains persulfates and other ingredients which may cause serious irritant, respiratory, and/or allergic reactions.
- **DO NOT INHALE OR INGEST.**
- Prepare and use only in a **WELL-VENTILATED AREA.**
- **PERFORM A SKIN ALLERGY TEST 48 HOURS BEFORE EACH APPLICATION,** even if you have previously used coloring products. Failure to do so may result in serious allergic reactions.
- Do not use on relaxed hair.

Back of the product box detailing usage advisory and ingredients.

2. Product Overview

Garnier Nutrisse Ultra Color Intense Bleach DB is designed for an ultra-vibrant transformation, even on dark hair. This intense lightener can lighten hair up to 6 tones, providing a natural-looking blonde result. The formula is enriched with avocado, olive, and shea oils to nourish hair during the bleaching process.

- **Ultra-Vibrant Lightening:** Achieves significant lightening in one step.
- **Nourishing Formula:** Enriched with a triple oil conditioner to protect hair against dryness.
- **Easy Application:** Non-messy, non-drip formula for a pleasant experience.

Key features of the bleach, including lightening power and nourishing conditioner.

3. Preparation

1. **Perform Allergy Test:** 48 hours before application, apply a small amount of the mixed product to a clean area of skin behind your ear or on your inner elbow. Do not wash, cover, or touch. If any reaction occurs, do not use the product.
2. **Gather Supplies:** Ensure you have an old towel, a timer, non-metallic bowl and applicator brush (if not using the provided bottle), and the included gloves.
3. **Hair Condition:** For best results, apply to dry, unwashed hair.
4. **Shade Selection:** Refer to the shade selector chart to understand the expected results based on your current hair color.

Perform a hair color test to check for allergies and preview results.

Shade Selector chart to guide expected lightening results.

4. Application

1. **Mix Product:** Follow the instructions in the enclosed leaflet to mix the lightening powder and developer. Shake well if using an applicator bottle, or mix thoroughly in a non-metallic bowl.
2. **Apply to Hair:** Wearing gloves, apply the mixture evenly to dry, unwashed hair. Ensure all strands are saturated for uniform results.
3. **Process:** Leave the product on for the time specified in the instructions, typically 30-45 minutes, depending on your desired level of lightness and hair type. Do not exceed the maximum recommended processing time.
4. **Rinse:** Once the desired lightness is achieved, rinse your hair thoroughly with lukewarm water until the water runs clear.

Illustration of applying the hair lightener.

5. Aftercare

1. **Condition:** Apply the nourishing triple oil conditioner provided in the kit. Leave it on for 2-5 minutes, then rinse thoroughly. This helps to protect hair against dryness and maintain its health.
2. **Maintain:** For ongoing hair health, use hair care products specifically designed for bleached or color-treated hair.

6. Troubleshooting

- **Uneven Lightening:** This often occurs due to uneven application. Ensure thorough and even saturation of the product during application.
- **Hair Not Light Enough:** If your hair did not reach the desired lightness, do not re-bleach immediately. Wait at least 2-4 weeks to allow your hair to recover before considering another lightening process. Consult a professional if unsure.
- **Scalp Irritation/Burning:** If you experience severe burning or irritation during application, rinse immediately with cool water. Do not continue use. Seek medical advice if irritation persists.
- **Hair Damage/Breakage:** Bleaching can be harsh on hair. Always follow instructions carefully, especially regarding processing time. Use the nourishing conditioner and consider deep conditioning treatments post-bleaching.

7. Specifications

Feature	Detail
Product Name	Garnier Nutrisse Ultra Color Intense Bleach DB
Brand	Garnier
Model	Db Intense Bleach
Product Dimensions	7 x 9 x 16.5 cm
Item Weight	237 g
