2. Safety Information

Your safety is paramount. Please adhere to the following guidelines:

- **Guardrails:** The top bunk features tall 14-inch guardrails to ensure the safe containment of standard mattress sizes.
- **Weight Capacity:** Each sleeping surface is designed to support a maximum resting weight of 400 pounds. The ladder has a 200 lb weight limit.
- **Federal Safety Standards:** This bed meets or exceeds all Federal safety standards for children's furniture.
- **Ladder Safety:** The angled ladder features non-slip, grooved steps for comfortable and easy climbing.
- **Assembly:** Assembly requires two or more adults for safe and efficient setup.

3. Setup and Assembly

Assembly of your Max & Lily bunk bed is designed to be straightforward. All necessary instructions, upper/lower slat rolls, and required hardware are included in the packaging. It is recommended that **two or more adults** participate in the assembly process to ensure safety and ease.

Key Assembly Features:

- **Solid Wood Construction:** The bed frame is made from solid New Zealand Pine wood, ensuring a sturdy build.
- **Slatted Support:** Solid plywood slats and a metal support bar are provided for both the top and bottom bunks, eliminating the need for a box spring.
- **Reversible Ladder:** The ladder is both reversible and removable, offering flexibility to fit various room layouts.
- **Color-Matched Hardware:** Flush, color-matched hardware contributes to a clean, modern aesthetic.

4. Operating Instructions

Once assembled, your Max & Lily Twin Over Full Bunk Bed is ready for use. Please note the following:

- **Mattress Compatibility:** The bed is designed to fit standard twin (top bunk) and full (bottom bunk) mattress sizes. No box spring is needed due to the included slat rolls.
- **Space-Saving Design:** The stacked design frees up floor space, making it ideal for smaller rooms.
- **Convertibility:** The bunk bed can be separated into two freestanding beds (one twin, one full) if desired, offering long-term versatility.

5. Maintenance

To maintain the quality and appearance of your Max & Lily bunk bed, follow these simple maintenance tips:

- **Cleaning:** Wipe down the bed frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the low VOC finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary to maintain structural integrity.
- **Finish Care:** The durable, low VOC finish is designed for longevity. Protect the surface from excessive moisture or direct heat.

6. Troubleshooting

While the Max & Lily bunk bed is designed for easy assembly and durability, minor issues may arise. If you encounter any problems not covered here, please refer to the support section.

Common Issues:

- **Wobbling:** Ensure all bolts and screws are securely tightened. Uneven flooring can also contribute to wobbling; consider using furniture pads to level the bed.
- **Squeaking:** Squeaking can often be resolved by re-tightening hardware or by applying a small amount of wax or lubricant to contact points between wood pieces.
- **Missing Parts:** If any parts are missing upon unboxing, please contact customer support immediately with your product model number and a description of the missing components.
