Port Authority S663

Port Authority Men's Long Sleeve SuperPro Twill Button-Down Shirt Instruction Manual

Model: S663

Product Overview

The Port Authority Men's Long Sleeve SuperPro Twill Button-Down Shirt (Model S663) is designed for professional wear, offering a blend of cotton and polyester for comfort and durability. This shirt features wrinkle resistance and stain-release properties, making it suitable for various work environments. It includes a button-down collar, dyed-to-match buttons, back shoulder pleats, a chest pocket, and adjustable cuffs.

Wearing Instructions

This button-down shirt is designed for a comfortable and professional fit. Follow these steps for proper wear:

1. **Buttoning:** Fasten the front buttons from bottom to top. The button-down collar features small buttons to secure the collar points to the shirt, maintaining a neat appearance.
2. **Cuffs:** The cuffs are adjustable. Use the inner button for a tighter fit or the outer button for a looser fit, depending on your preference or if wearing a watch.
3. **Tucking:** For a formal or business casual look, tuck the shirt into your trousers. The length is designed to stay

tucked comfortably.

Care and Maintenance

Proper care will extend the life and maintain the appearance of your Port Authority SuperPro Twill Shirt. This shirt is designed to resist wrinkles and release stains easily.

- **Washing:** Machine wash cold with like colors. Use a gentle cycle.
- **Detergent:** Use a mild detergent. Avoid bleach or harsh chemicals, as these can damage the fabric and color.
- **Drying:** Tumble dry low. Remove promptly from the dryer to minimize wrinkles. If necessary, a cool iron can be used.
- **Stain Treatment:** For best results, treat stains as soon as possible. The fabric is designed to release stains in the wash.

Troubleshooting and Common Issues

Issue: Excessive Wrinkling

Solution: While the shirt is wrinkle-resistant, leaving it in the dryer for too long or overcrowding the wash/dry cycle can cause wrinkles. Remove the shirt immediately after the drying cycle and hang it. A light iron on a cool setting can also be used if needed.

Issue: Stains Not Fully Removed

Solution: For stubborn stains, pre-treat the affected area before washing. Ensure you are using a suitable stain remover for the fabric type and follow the product's instructions. Wash promptly after pre-treatment.

Issue: Shirt does not fit as expected

Solution: Refer to the size guide provided by Port Authority. Ensure measurements are taken accurately. If the size is incorrect, contact the retailer for exchange options, adhering to their return policy.
