About Us

When our company, R\$ Industrial Solutions was started in the year 2017, our main goal was to introduce high-end range of machinery & equipment to numerous industries present in the market. We have been successful in meeting our goals by presenting the most advanced set of machines & equipment as a manufacturer and supplier. Industrial Manual Carton Box Wrapping Machine, Web Sealer And Shrink Tunnel Machine, STA Fully Automatic Strapping Machine, Double Vacuum Packaging Machine, Semi Carton Box Wrapping Machine and many other products can be availed from us. For the manufacturing process, we only use the highest quality raw materials which is why the end product is flawless. In addition, the pricing of our products is always kept economical.

The vast range of machines & equipment we, RS Industrial Solutions have been supplying to customers has considerably aided us in growing our market share. To meet the highest quality standards, we have always ensured that our entire product range, which includes Industrial Web Sealer Shrink Tunnel Machine, Semi Automatic Strapping Machine, Industrial Vacuum Packaging Machine, Manual Carton Box Wrapping Machine, Automatic I Sealer With Shrink Tunnel Machine, etc., is made from the best-in-class raw materials. In order to maintain our product pricing as low as possible, we also undertake market research on our competitors. We have our facility established in the capital city, Delhi, India, from where we promptly and securely deliver our products to the customers.

Key Facts

- **Nature of Business:** Manufacturer
- **Primary Competitive Advantages:** semi-automatic web sealing machine, shrink tunnel packaging machine, carton wrapping machine
- **No of Staff:**10
- **Year of Establishment:**2017
- **OEM Service Provided:** NO
- **ProductRange:** semi-automatic web sealing machine, shrink tunnel packaging machine, carton wrapping machine

Our Products
