Port Authority K524

Port Authority Dry Zone Colorblock Ottoman Polo K524 User Manual

1. Product Overview

This manual provides essential information for the Port Authority Dry Zone Colorblock Ottoman Polo, model K524. This garment is designed for professional and casual wear, featuring moisture-wicking properties and a durable polyester construction. Understanding its features and care instructions will ensure its longevity and performance.

2. Key Features

- **Moisture-Wicking Performance:** Utilizes Dry Zone technology to manage moisture, keeping the wearer comfortable.
- **Durable Material:** Constructed from 100% polyester for professional appearance and long-lasting wear.
- **Classic Design:** Features a flat knit collar, a 3-button placket with dyed-to-match buttons, and open hem sleeves with contrasting rib knit inset.
- **Colorblock Details:** Incorporates colorblocking on the collar, sides, and sleeves for a distinct style.
- **Weight:** 5.3 ounces, providing a substantial yet comfortable feel.

3. Sizing Guide

6XL	36/38	61 - 63	34.5	25.1	35

4. Care and Maintenance

Proper care will help maintain the quality and performance of your polo shirt. Follow these instructions for washing and general maintenance:

- **Washing:** Machine wash cold with like colors.
- **Drying:** Tumble dry low. Remove promptly to prevent wrinkles.
- **Bleaching:** Do not bleach.
- **Ironing:** If necessary, iron on low heat. Do not iron directly on any printed or embroidered areas.

- **Dry Cleaning:** Do not dry clean.

For best results, avoid using fabric softeners as they can sometimes affect the moisture-wicking properties of the fabric over time.

5. Product Specifications

6. Troubleshooting (Apparel)

This section addresses common issues that may arise with apparel and provides general guidance.

- **Shrinkage:** To minimize shrinkage, always wash in cold water and tumble dry on low heat. High heat can cause synthetic fibers to shrink or distort.
- **Fading:** To prevent color fading, wash inside out and avoid direct prolonged exposure to strong sunlight when drying. Use detergents designed for color protection.
- **Pilling:** Pilling (small balls of fiber on the fabric surface) can occur with wear and friction. To reduce pilling, wash garments inside out and avoid abrasive surfaces. A fabric shaver can be used to remove existing pills.
- **Snags:** Be cautious around sharp objects or rough surfaces that can snag the fabric. If a snag occurs, gently pull the fabric around it to redistribute the threads, or carefully trim any loose threads.

7. Support Information

For further assistance, questions, or concerns regarding your Port Authority Dry Zone Colorblock Ottoman Polo K524, please contact Port Authority customer service. While specific warranty details are not provided in this manual, general product support is available.

Please visit the official Port Authority website or refer to the product packaging for the most current contact information and support resources.
