T POWER TP-ZX9-4Z2

T-Power Car Adapter User Manual

Model: TP-ZX9-4Z2

Introduction

This manual provides essential information for the safe and effective use of your T-Power Car Adapter. This adapter is designed to provide power to compatible Tobii Dynavox T7, T10, and T15 series tablets, as well as Turtleback Heavy Duty Tablet PC TS14090931 systems, via a vehicle's cigarette lighter socket.
Please read this manual thoroughly before using the product and retain it for future reference.

Setup and Installation

Follow these steps to properly set up your T-Power Car Adapter:

1. **Identify the Vehicle Power Socket:** Locate the 12V cigarette lighter or auxiliary power socket in your vehicle. Ensure the socket is clean and free of debris.
2. **Connect the Adapter:** Insert the T-Power Car Adapter's cigarette lighter plug firmly into the vehicle's 12V power socket. Ensure a secure connection.
3. **Connect to Device:** Plug the DC output connector of the T-Power Car Adapter into the power input port of your compatible Tobii Dynavox T7, T10, T15, or Turtleback TS14090931 tablet.
4. **Verify Connection:** Confirm that the tablet indicates it is receiving power or charging.

Image: The T-Power Car Adapter, showing its cigarette lighter plug on one end and the barrel connector for the tablet on the other. The cable is neatly coiled.

Operating Instructions

Once connected, the T-Power Car Adapter will automatically begin supplying power to your compatible device. No additional controls or settings are typically required for operation.

- Ensure your vehicle's ignition is in a position that provides power to the cigarette lighter socket (e.g., ACC or ON).
- Monitor your device's charging indicator to confirm proper power delivery.
- Disconnect the adapter from the vehicle socket and the device when not in use or when leaving the vehicle for extended periods.

Safety Warning:
As this is an electrical item, the item must be stored correctly, and be constantly monitored. If the item appears to be overheating, please disconnect straight away. Please read the enclosed safety booklet before use.

Maintenance

Proper maintenance ensures the longevity and safe operation of your T-Power Car Adapter:

- **Cleaning:** Use a dry, soft cloth to clean the adapter. Do not use liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. When storing, coil the cable loosely to prevent kinks or damage.
- **Inspection:** Periodically inspect the cable and connectors for any signs of wear, cuts, or damage. Do not use the adapter if any damage is observed.

Troubleshooting

Problem	Possible Cause	Solution
Device not charging.	• Loose connection. • Vehicle power socket not active. • Incompatible device. • Damaged adapter or cable.	• Ensure both ends of the adapter are firmly plugged in. • Check vehicle's ignition position; test socket with another device if possible. • Verify your device is listed as compatible (Tobii Dynavox T7, T10, T15, Turtleback TS14090931). • Inspect adapter for damage. If damaged, discontinue use and replace.
Adapter feels hot.	• Normal operation (slight warmth). • Overload or internal issue (excessive heat).	• A slight warmth is normal during operation. • If excessively hot or emitting smoke/smell, immediately disconnect from power source and device. Do not use again.

Specifications

Brand	T POWER
