Portable Pickleball Net

Product Information

The Portable Pickleball Net is a sports equipment used for playing pickleball, a racquet sport that combines elements of badminton, tennis, and table tennis. The net is designed for easy assembly and disassembly, making it portable and convenient for outdoor or indoor play. The net components include:

- 1 x2 Straight pipe with end cap
- 2 x2 Rectangular large end base
- 3 x2 Bent long pipe
- 4 x5 Straight pipe (one end tapered)
- 5 x1 Straight pipe (both ends tapered)
- 6 x1 Rectangular small center base
- 7 x1 Straight narrow pipe with end cap
- 8 x1 Vertical Center support (T-shape)
- 9 x1 Net

The net is not a toy and adult supervision is required at all times for children. Proper use of the net reduces the risk of injury. Do not sit, climb or lean on the product.

Product Usage Instructions

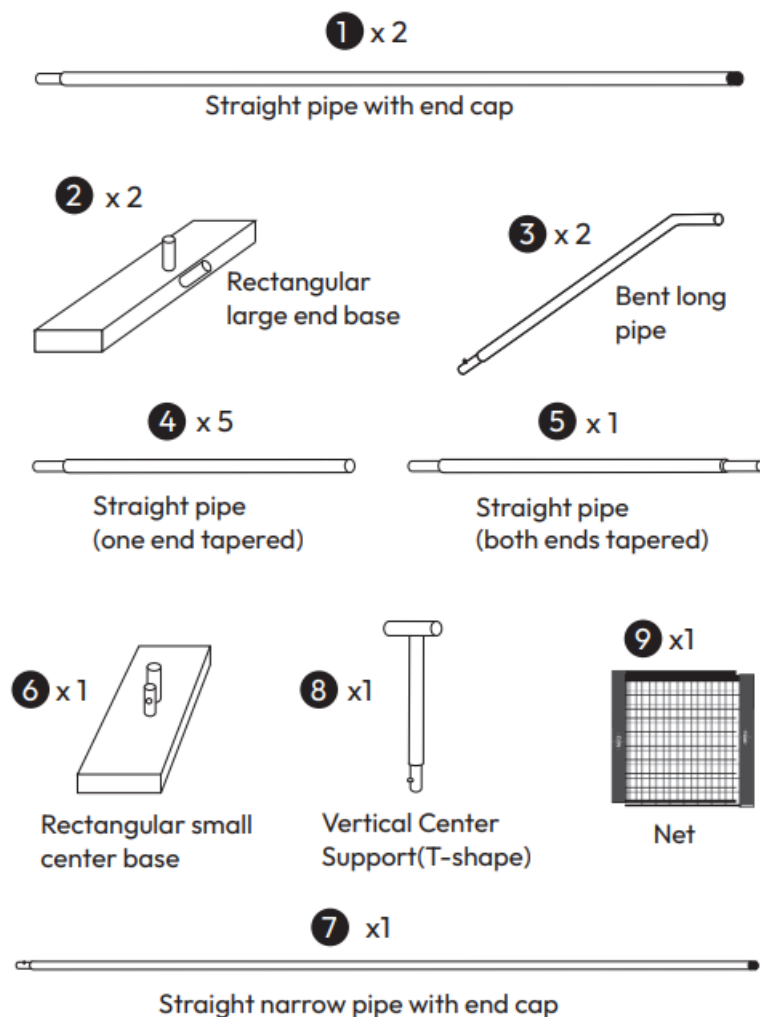

1. Unpack all the components of the net and lay them out in order according to the numbered stickers on the poles.
2. Connect each end of the #1 pipes into two base legs of #2 directly. Connect the #8 center support and #7 pipe into the #6 center base & snap into place.
3. Connect each end of #3 pipes into two base legs of #2 & snap into place. Put the #8 center support through the #5 pipe. Move and adjust the placement of the #8 center support until it's in the middle. Connect rest of the pipes directly.
4. Slide the net over one of the #1 pipes in the half, then half of the #7 pipe, and then half of the other #1 pipe. Lastly, slide the whole net to the bottom gradually.
5. Adjust the net tension by adjusting the buckle straps on both top ends. Secure the net by pressing firmly the hook side against the loop side of the velcro strap on the #8 center support, in case of the net slides up.

It is recommended to store the product when not in use. Excessive exposure to sun or water may decrease product lifespan. The net is not suitable for children under 3 years of age. Read and follow all assembly, operation and safety instructions carefully.
