MANAGED PROFILE AGREEMENT

By creating a managed profile, you assert that you are legally able to manage health information for this person, including test result summaries.

This typically applies to children or people who are not able to care for themselves.

Are you legally able to manage health information for this person?

5. Enter the Address Details of the person whose test results you will be managing. Or, if the person resides with you, select the Use primary account address box to auto populate the address fields. Then, select the

Continue button.

The image shows a web form titled "NAVICA" with a header containing "US | EN" and the "Abbott" logo. A "SIGN OUT" button is in the top right. The form has a progress bar at the top with three steps, the third of which is active. The main section is titled "ADDRESS DETAILS" and includes a privacy notice about Zip Code data. Below this is a checkbox labeled "Use primary account address" which is checked. A red line connects this checkbox to the "Continue" button at the bottom right. The form contains several input fields: "Address *" with the value "123 Main St.", "City *" with the value "Chicago", "State *" with a dropdown menu showing "Illinois", and "Zip Code *" with the value "78789". At the bottom, there are "Cancel" and "Continue" buttons. The "Continue" button is highlighted with a red rounded rectangle.
