KM686563 UDM Under Desk Power Module

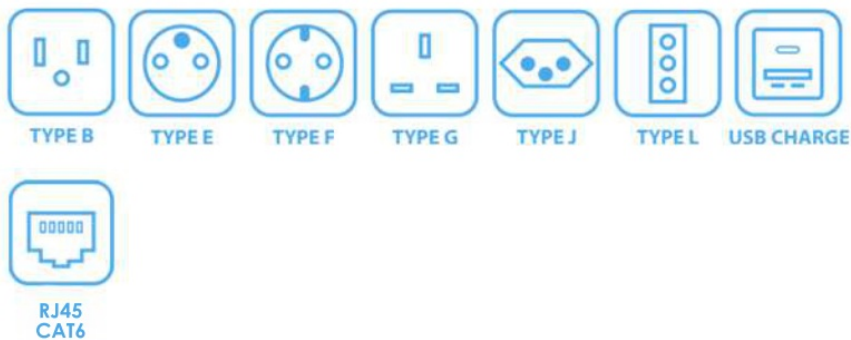

UDM is an easily installed, under-desk power module. It is custom-made, allowing the choice of different socket types, USB charge sockets, and RJ45 media connections. The integrated 3 Pole Connector allows daisy chaining with multiple UDM modules or other similar devices, up to six sockets max.

FEATURES

- The unit complies with IEC 60884-1:2002 + A1:2006 + A2:2013
- The module is available in Black, with Black aluminum profile
- Available in variations of sockets, USB charge sockets, and RJ45 media connections
- Integrated 3 Pole Connector enables daisy chaining with other compatible products
- When used with ABL Conference Top Access, it is perfectly suitable for meeting rooms
- It is easily installed and fits perfectly into the ABL wire basket. Alternatively secured under the desk

AVAILABLE SOCKET TYPES AND MEDIA CONNECTIONS

CONNECT UP TO SIX SOCKETS

ABL's UDM features 3 Pole Connectors which enable daisy chaining with other UDM modules or similar products, with up to six UK Sockets.

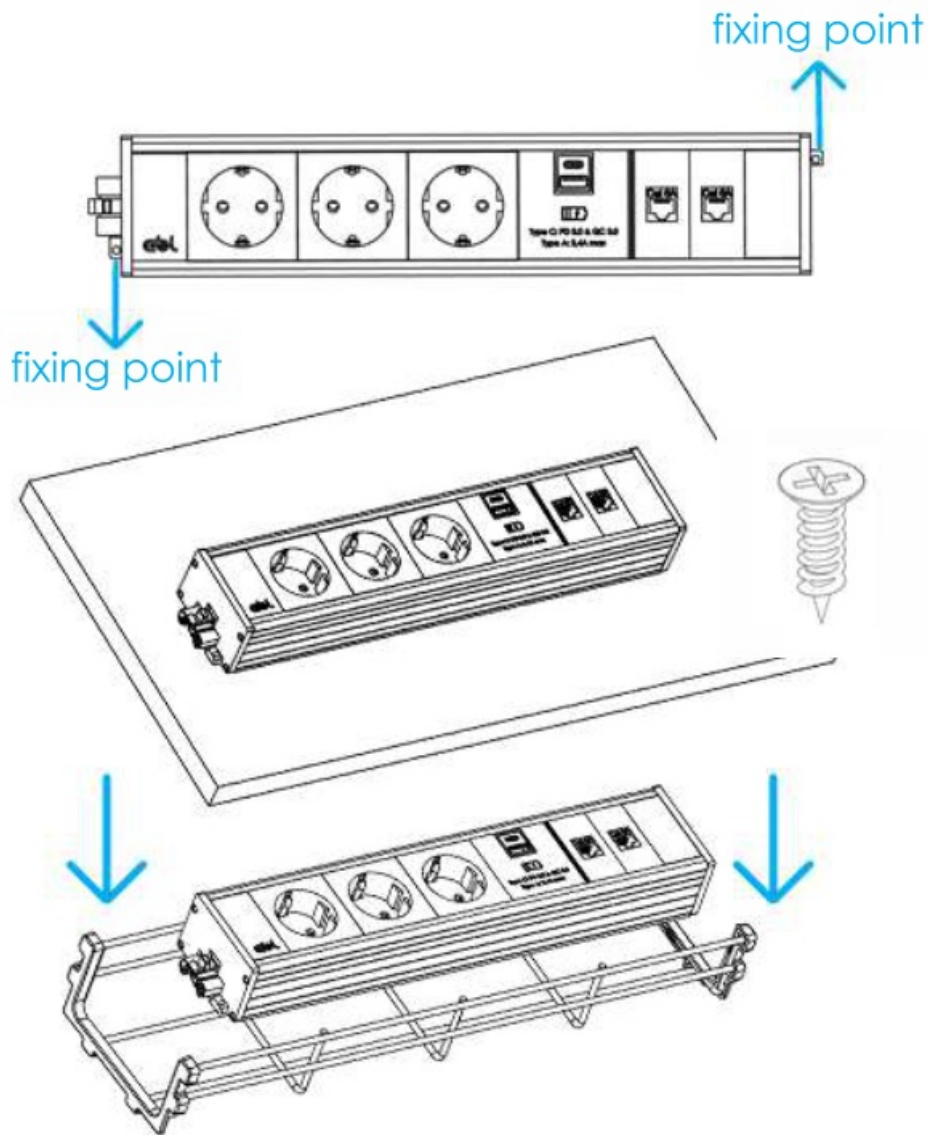

If the module has an RJ45 media connecton, a Female 3 Pole Socket is required for daisy chaining to take place.

INSTALLATION INSTRUCTIONS

OPTION 1 – Fix the module onto a flat surface

1. Check the screw fixing points on the module
2. Fixate using the provided screws according to the designated positions on the fixators

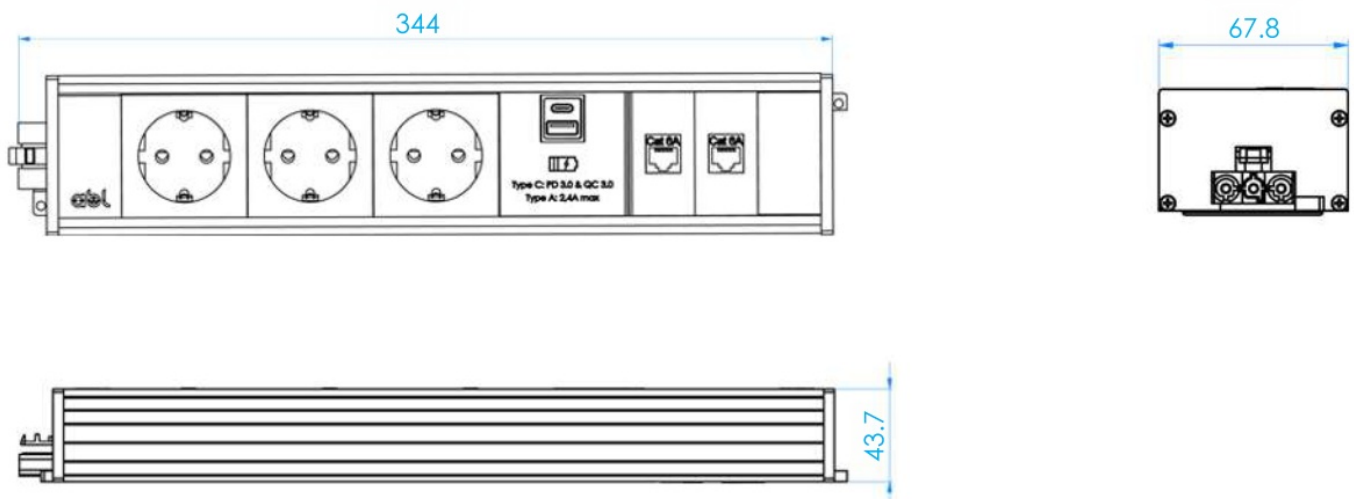

OPTION 2 – Fix the module into a wire basket

Simply place the module into the wire basket

DIMENSIONS

*NOTE – The module length depends on the required configuration

Status: Approved

Documents / Resources

 The thumbnail shows the front cover of the instruction manual. It features the ABL logo at the top left, the product name 'KM686563 UDM Under Desk Power Module' in the center, and a photograph of the power module unit below. The unit is a black, rectangular device with three power outlets and a power switch.	<p>abl KM686563 UDM Under Desk Power Module [pdf] Instruction Manual KM686563 UDM Under Desk Power Module, KM686563, UDM Under Desk Power Module, De sk Power Module, Power Module, Module</p>
