Getting Started

Scan the QR code below to watch a short getting started video or follow the instructions listed.

https://ablenetinc.zendesk.com/hc/en-us/articles/360060500011

To get started:

1. Add one alkaline 9-volt battery to the device (battery not included).

2. Turn the device on.

3. Select the desired level.

4. Press and hold the record button until the recording indicator light turns on.

5. Press and hold one colored switch top. Begin speaking into the microphone after you hear a beep.

6. When done recording message, release colored switch top.

7. Repeat steps 5 and 6 for another colored switch top.

8. Press the record button to turn the recording indicator light off.

9. Optional: Select a different recording level to record a second and third set of messages.

10. Adjust volume as needed.

11. Your device is ready to use.

This device can do more! Full Instructions for Use are available at **www.ablenetinc.com.**
