Paladone PP5103NNV2

Paladone Game Boy Light (Model PP5103NNV2) User Manual

Nintendo Night Light Collectable Figure

1. Introduction

Thank you for purchasing the Paladone Game Boy Light. This product is a faithful replica of the classic Nintendo Game Boy, designed to function as a mood light and collectible figure. This manual provides essential information for the safe and effective use of your new Game Boy Light.

2. Product Overview

The Paladone Game Boy Light features a retro design, complete with the iconic Super Mario Land start-up screen displayed on its illuminated screen. It is battery-powered for convenient placement without the need for cables.

3. Setup

3.1 Battery Installation

1. Locate the battery compartment on the rear of the Game Boy Light.
2. Open the battery compartment cover.
3. Insert 3 x AAA batteries (not included), ensuring correct polarity (+/-).
4. Close the battery compartment cover securely.

5. Maintenance

5.1 Cleaning

To clean the Game Boy Light, gently wipe the surface with a soft, dry cloth. Do not use abrasive cleaners or solvents, as these may damage the finish.

5.2 Battery Replacement

When the light appears dim or stops functioning, it is time to replace the batteries. Follow the battery installation steps in Section 3.1.

6. Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on.	Batteries are not installed or are depleted.	Ensure 3 x AAA batteries are correctly installed. Replace with new batteries if necessary.
Light is dim.	Batteries are low.	Replace all 3 x AAA batteries with new ones.
