DeLUX M522BU

DeLUX M522BU FPS Gaming Mouse User Manual

Model: M522BU

Introduction

Thank you for choosing the DeLUX M522BU FPS Gaming Mouse. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new gaming mouse. The M522BU is designed for FPS gaming, featuring a comfortable right-handed design, 8 fully programmable buttons, and adjustable DPI settings for precise control.

Setup Guide

Follow these steps to set up your DeLUX M522BU Gaming Mouse:

1. **Unpack the Mouse:** Carefully remove the mouse from its packaging.
2. **Connect to PC:** Plug the USB connector of the mouse into an available USB port on your computer. The mouse is a plug-and-play device and does not require additional drivers for basic functionality.
3. **Operating System Compatibility:** The mouse is compatible with Windows Vista, Windows 7, Windows 8, and Windows 10.
4. **Software Installation (Optional):** For full customization of buttons and LED lighting effects, download and install the official DeLUX M522BU software from the manufacturer's website. Refer to the software's instructions for detailed customization options.

Operating Instructions

The DeLUX M522BU Gaming Mouse offers several features to enhance your gaming experience:

- **DPI Adjustment:** The mouse features on-the-fly DPI adjustment with settings of 800, 1600, 3200, and 6400 DPI. Use the dedicated DPI button (typically located behind the scroll wheel) to cycle through these settings and find your preferred sensitivity.
- **Programmable Buttons:** The mouse has 8 buttons that are fully customizable through the dedicated software. This allows you to assign macros, keyboard functions, or specific in-game actions to each button.
- **LED Lighting Effects:** Enjoy 7 different color LED lighting effects. These effects can often be configured or cycled through using the customization software.

Maintenance

To ensure the longevity and optimal performance of your DeLUX M522BU Gaming Mouse, follow these maintenance tips:

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the mouse. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive cleaners.
- **Sensor Care:** Keep the optical sensor on the underside of the mouse clean and free from dust or debris. Use a cotton swab or compressed air if necessary.
- **Cable Management:** Avoid sharp bends or excessive pulling on the 1.8m braided USB cable to prevent damage.
- **Storage:** When not in use, store the mouse in a clean, dry environment away from extreme temperatures.

Troubleshooting

If you encounter issues with your DeLUX M522BU Gaming Mouse, try the following solutions:

Problem	Possible Solution
Mouse not responding	• Ensure the USB cable is securely plugged into a working USB port. • Try a different USB port on your computer. • Restart your computer.
DPI adjustment not working	• Ensure the mouse is connected and recognized by your system. • If using custom software, check its settings for DPI profiles.
Buttons not programmable	• Ensure the official DeLUX M522BU software is installed and running. • Refer to the software's user guide for button customization.
LED lights not working or stuck	• Check the mouse's software settings for LED control. • Unplug and replug the mouse.
