Setup Instructions

1. **Verify Compatibility:** Ensure the AC adapter is compatible with your device. This adapter is designed for the Dynacraft Disney 6V Little Quad (Model 8804-08).
2. **Inspect the Adapter:** Before connecting, visually inspect the adapter and its cable for any signs of damage, such as frayed wires or bent pins. Do not use if damaged.
3. **Connect to Device:** Insert the barrel connector of the AC adapter firmly into the charging port of your Dynacraft Disney 6V Little Quad.

4. **Connect to Power Outlet:** Plug the AC adapter into a standard 100-240V wall outlet.
5. **Charging Indicator:** Observe your device's charging indicator (if available) to confirm that charging has begun.

Operating Instructions

Once connected, the adapter will supply power to your device or charge its battery. The adapter is designed for continuous operation within its specified voltage and current limits.

- Ensure the adapter is placed in a well-ventilated area during operation to prevent overheating.
- Do not cover the adapter with cloth or other materials while in use.
- Disconnect the adapter from the power outlet when not in use for extended periods.

Safety Information

Your PKPower AC Adapter incorporates multiple safety features to protect your device and ensure safe operation:

- **OVP (Over Voltage Output Protection):** Prevents damage to your device from excessive voltage output.
- **OCP (Over Current Output Protection):** Protects against damage from excessive current draw.
- **SCP (Short Circuit Output Protection):** Safeguards against short circuits, preventing potential hazards.

General Safety Precautions:

- Do not expose the adapter to water, rain, or excessive moisture.
- Avoid dropping or subjecting the adapter to strong impacts.
- Do not attempt to open or modify the adapter.
- Keep out of reach of children.

- Ensure the power outlet is easily accessible for quick disconnection if needed.

Compatibility

This PKPower AC Adapter is designed for use with the following model:

- **Dynacraft Disney 6V Little Quad (Model 8804-08)**

Important Compatibility Note:
While this adapter is advertised for the Dynacraft Disney 6V Little Quad, its technical specifications indicate an output voltage of 12 Volts. It is critical to verify the exact voltage requirements of your device before connecting this adapter. Using an adapter with an incorrect voltage can cause severe damage to your device and may pose a safety risk. Always confirm that the adapter's output voltage matches your device's input voltage requirement.

Specifications

Feature	Specification
Input Voltage	100-240V AC, 50-60Hz
Output Voltage	12 Volts
Output Current	2 Amps
Connector Type	Barrel Connector
Certifications	CE / FCC / RoHS certified
Special Features	OVP, OCP, SCP Protection
Item Weight	4 ounces
Manufacturer	PKPOWER

Maintenance

- **Cleaning:** Disconnect the adapter from the power source and device before cleaning. Use a dry, soft cloth to wipe the exterior. Do not use liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent damage.
- **Cable Care:** Do not bend, twist, or pull the cable excessively. Avoid placing heavy objects on the cable.

Troubleshooting

If you encounter issues with your PKPower AC Adapter, consider the following:

- **No Power Output:**
  - Ensure the adapter is securely plugged into a working wall outlet.
  - Verify the barrel connector is fully inserted into your device's charging port.
  - Check if the wall outlet is functional by plugging in another device.
- **Device Not Charging:**
  - Confirm the adapter's compatibility with your specific device model (Dynacraft Disney 6V Little Quad, Model 8804-08).
  - Inspect the charging port of your device for any obstructions or damage.
  - Ensure the device's battery is not completely depleted or faulty.
- **Adapter Overheating:**
  - Disconnect the adapter immediately.
  - Ensure the adapter is in a well-ventilated area and not covered.
  - If overheating persists, discontinue use and contact customer support.

Warranty and Support

PKPower products are designed for reliability and performance. For any questions or assistance, please contact our customer service team.

- **Customer Service:** Our friendly and reliable customer service will respond to you within 24 hours.
- **Warranty Information:** Please refer to the product packaging or the seller's policy for specific warranty details.
