Max & Lily 180217-002

Max & Lily Twin Over Twin Low Bunk with Slide and Ladder

Model: 180217-002
Brand: Max & Lily

1. Product Overview

The Max & Lily Twin Over Twin Low Bunk with Slide and Ladder is a space-saving furniture solution designed for children's bedrooms. Standing at 50 inches high, it is suitable for smaller spaces and younger children. The bottom bunk sits only two inches off the floor, providing an accessible sleeping option. The top bunk is equipped with 14-inch guardrails to ensure safety with standard mattress sizes. The angled ladder and slide are both reversible and removable, offering flexible setup options.

2. Safety Information

This bunk bed meets or exceeds Federal safety standards for children's furniture. For optimal safety, please adhere to the following guidelines:

- Recommended for children aged 6-10 years old.
- Observe weight limits: The maximum weight limit per bed is 400 pounds.
- Adult supervision is recommended, especially during initial use of the slide and ladder.
- Ensure all hardware is securely tightened after assembly and periodically check for any loosening.
- Only use mattresses that safely fit within the bed frame and below the top bunk's guardrails.

3. Components and Dimensions

The Max & Lily Twin Over Twin Low Bunk Bed includes all necessary components for assembly. Key features include solid New Zealand pine wood construction, a durable non-toxic low VOC finish, and flush, color-matched hardware.

Included Components:

- Twin Bunk Low Bunk Frame
- Slide
- Angled Ladder
- Upper and Lower Slat Rolls
- Required Assembly Hardware

Product Dimensions:

- Overall Dimensions: 81.5"L x 84.5"W x 50"H
- Under Top Bed Clearance: 33.2"
- Ground to Item Distance (Bottom Bunk): 2 Inches
- Compatible Mattress Size: Twin

4. Setup and Assembly

Assembly of the Max & Lily Twin Over Twin Low Bunk Bed requires two or more adults for ease and safety. Detailed instructions are included with the product. Ensure all parts are accounted for before beginning assembly.

Assembly Tips:

- Clear a spacious area for assembly to prevent damage to components or surrounding furniture.
- Follow the step-by-step instructions provided in the included manual.
- The ladder and slide are reversible and can be installed on either the left or right-hand side of the bed to best suit your room layout.
- Ensure all bolts and screws are tightened securely, but do not overtighten.

5. Operating Instructions

The Max & Lily Low Bunk Bed is designed for comfortable and safe use by children. Both the upper and lower bunks accommodate twin-sized mattresses. The low profile of the bed makes it easy for younger children to access the bottom bunk, while the angled ladder provides comfortable climbing to the top bunk.

Using the Slide and Ladder:

- The slide offers a fun exit from the top bunk. Ensure the landing area is clear before use.
- The angled ladder is designed for easy and safe climbing to the top bunk. Always use the ladder facing forward.
- Both the slide and ladder can be removed or reversed to suit your preference and room layout.

6. Maintenance

To ensure the longevity and appearance of your Max & Lily bunk bed, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the low VOC finish.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten if necessary

to maintain structural integrity.

- **Finish Care:** The durable, non-toxic, low VOC finish is designed for lasting quality. The item cannot be painted unless heavily sanded, which is not recommended as it may compromise the original finish and safety standards.

7. Troubleshooting

If you encounter any issues with your Max & Lily bunk bed, consider the following common solutions:

- **Wobbling or Instability:** Check all assembly hardware. Ensure every bolt and screw is properly tightened. Uneven flooring can also cause wobbling; try repositioning the bed or using furniture levelers.
- **Squeaking Noises:** Squeaking can often be resolved by re-tightening all hardware. Ensure slats are properly seated and not rubbing against the frame.
- **Missing Parts:** If any components were missing upon delivery, refer to the contact information in the Support section for assistance.

For issues not covered here, please contact customer support.

8. Specifications
