Gen IV Controller Quick Start Guide

Step 3: Import Default PSets

On the Controller's Main Display Menu press

PSet

Default
PSets

This

will import three default PSets that can now be edited. More PSets can be added by using the Add and Edit buttons.

Note: When connecting through the web browser interface, this process is the same. Refer to the Gen IV controller manual for connection instructions. For the complete Gen IV manual go to www.aimco-global.com/manuals.
