bakibo S7

bakibo S7 Wireless Bluetooth 5.1 Earbuds User Manual

Model: S7 | Brand: bakibo

1. Introduction

This manual provides detailed instructions for the bakibo S7 Wireless Bluetooth 5.1 Earbuds. Please read this manual carefully before using the product to ensure proper operation and to maximize your listening experience. Keep this manual for future reference.

2. What's in the Box

- bakibo S7 Wireless Earbuds (Left and Right)
- Charging Case (800mAh)
- USB Type-C Charging Cable
- Protective Case
- Ear Tips (3 pairs: Small, Medium, Large)
- Ear Wings (2 pairs)
- User Manual

3. Product Overview

The bakibo S7 earbuds are designed for comfort and performance, featuring a compact charging case with an LCD display to show battery levels. The earbuds are equipped with touch controls for easy management of audio and calls.

4.2 Automatic Pairing and Device Connection

The bakibo S7 earbuds feature automatic pairing for convenience.

1. Take both earbuds out of the charging case. They will automatically power on and pair with each other.
2. On your mobile phone or Bluetooth-enabled device, go to the Bluetooth settings.
3. Search for available devices and select "S7" to connect. Once connected, you will hear a confirmation sound.

5. Operating Instructions

The bakibo S7 earbuds feature intuitive touch controls on each earbud for managing various functions.

5.1 Touch Control Functions

- **Play/Pause:** Single tap on either earbud.
- **Next Song:** Double tap on the right earbud.
- **Previous Song:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.

- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant (Siri/Google Assistant):** Press and hold either earbud for 3 seconds.

Video: This video highlights key features including one-step pairing, ergonomic design, Bluetooth 5.1 technology, smart touch controls, IPX7 waterproofing, and Type-C charging. It provides a comprehensive overview of the earbuds' capabilities and operational aspects.

6. Features

6.1 Bluetooth 5.1 Technology

Equipped with advanced Bluetooth 5.1, the earbuds offer a fast, stable, and tangle-free connection with a range of up to 15 meters (49 feet). This ensures a consistent audio experience with minimal interruptions.

6.2 IPX7 Waterproof Rating

The earbuds are rated IPX7 waterproof, making them resistant to sweat, accidental splashes, and light rain. This feature makes them suitable for sports and outdoor activities.

Image: A close-up of an earbud with water droplets, illustrating its IPX7 waterproof capability, suitable for resisting sweat and splashes.

6.3 Ergonomic Design for Sports

The earbuds come with two pairs of ear wings and three different sizes of ear tips (S, M, L) to ensure a secure and comfortable fit for various ear shapes. This design is ideal for active use during sports, running, or gym workouts.

6.4 True Stereo Sound with Noise Reduction

Experience true stereo sound with powerful bass and effective noise reduction for background noise, allowing you to enjoy your music clearly in various environments.

6.5 Extended Battery Life

The earbuds provide approximately 4 hours of listening time on a single charge. The 800mAh charging case extends the total battery life to approximately 40 hours, allowing for multiple recharges on the go. The Type-C interface ensures convenient and fast charging.

Image: A side view of the charging case with earbuds, showing the Type-C charging port.

7. Troubleshooting

- **Earbuds not pairing with each other:** Place both earbuds back into the charging case, close the lid, then open it and take them out again. They should automatically pair. If not, try resetting them (refer to specific reset instructions if available in a full manual).
- **Only one earbud working:** Ensure both earbuds are charged. Place both back in the case, then take them out to re-establish the connection. Check your device's Bluetooth settings to ensure both earbuds are recognized.
- **Earbuds not connecting to device:** Make sure Bluetooth is enabled on your device and the earbuds are within range. Forget the "S7" device in your Bluetooth settings and try pairing again.
- **Earbuds not charging:** Ensure the charging cable is securely connected to both the case and the power source. Check if the charging contacts on the earbuds and inside the case are clean and free of debris. The

charging case itself should also be charged.

- **Poor sound quality:** Ensure the earbuds are properly seated in your ears and you are using the correct size ear tips for a good seal. Check the audio source and volume levels on both your device and the earbuds.

8. Specifications

Model Number	S7
Brand	bakibo
Connectivity Technology	Wireless (Bluetooth 5.1)
Bluetooth Range	Up to 15 meters
Earbud Battery Life	Approx. 4 hours
Charging Case Battery Capacity	800mAh (provides approx. 40 hours total playtime)
