HARRIS B089WJZ9W2

HARRIS Cleaning Vinegar Eucalyptus

All Purpose Household Surface Cleaner

Model: B089WJZ9W2 | Brand: HARRIS

Introduction

HARRIS Cleaning Vinegar is a powerful multi-surface cleaner designed to effectively remove dirt, grease, and grime from various household surfaces. Infused with essential oils, it cleans and refreshes, leaving surfaces sparkling without harsh chemical odors. This manual provides essential information for the safe and effective use of your HARRIS Cleaning Vinegar.

Setup and Preparation

Unpacking and Initial Inspection

Upon receiving your HARRIS Cleaning Vinegar, inspect the bottle for any signs of leakage or damage. Ensure the cap is securely fastened. The product includes an easy-pour funnel for convenient use.

Image: HARRIS Cleaning Vinegar 128oz bottle with Eucalyptus scent, shown alongside the included easy pour funnel.

Dilution Instructions

HARRIS Cleaning Vinegar is concentrated and must be diluted with water before use. Refer to the label directions on the product bottle for specific dilution ratios based on the cleaning task. A common starting point is a 1:1 ratio of cleaning vinegar to water for general cleaning, but adjust as needed for tougher jobs or delicate surfaces.
Important: Always test on an inconspicuous area first to ensure compatibility with the surface.

Operating Instructions

General Cleaning

Once diluted, apply the cleaning solution to the desired surface using a spray bottle or a clean cloth. Allow the solution to sit for a few moments to penetrate dirt and grime, then wipe clean with a damp cloth. No rinsing is typically required, and the product

leaves no residue.

Specific Applications

- **Kitchens:** Ideal for countertops, sinks, and appliances.
- **Bathrooms:** Effective on showers, toilets, sinks, and tiles.
- **Windows and Glass:** Leaves a streak-free shine.
- **Floors:** Suitable for various floor types when properly diluted.
- **Stainless Steel:** Cleans and restores shine.

Maintenance and Storage

Product Storage

Store HARRIS Cleaning Vinegar in its original container, tightly sealed, in a cool, dry place away from direct sunlight and extreme temperatures. Keep out of reach of children and pets.

Troubleshooting

Ineffective Cleaning

If the product does not clean effectively, ensure you have used the correct dilution ratio for the task. For tougher stains, a less diluted solution or longer dwell time may be necessary. Always test on an inconspicuous area first.

Residue Left Behind

While designed to leave no residue, excessive application or insufficient wiping may result in a slight film. Wipe the surface

thoroughly with a clean, damp cloth to remove any remaining residue.

Odor Perception

HARRIS Cleaning Vinegar contains essential oils to provide a pleasant scent (Eucalyptus in this case) and neutralize the natural vinegar odor. The scent is designed to dissipate as the surface dries. Ensure adequate ventilation during and after use.

Important Safety Note

This product is for cleaning purposes only and is not intended for consumption. Keep out of reach of children. In case of eye contact, rinse thoroughly with water for several minutes. If irritation persists, seek medical attention. Refer to the product label for full safety warnings and first aid instructions.

Specifications

Attribute	Detail
Brand	HARRIS
Item Form	Liquid
Scent	Eucalyptus
Specific Uses For Product	Glass, Showers, Toilets, Windows
Item Volume	128 Fluid Ounces
Manufacturer	Harris
ASIN	B089WJZ9W2
Package Dimensions	11.89 x 6.26 x 5.94 inches; 8.77 Pounds
