BigFoot 72"W x 72"L (Pack of 1) 1a Peva Clear Premium

BigFoot Shower Curtain Liner User Manual

Model: 72"W x 72"L (Pack of 1) 1a Peva Clear Premium

Product Overview

The BigFoot Shower Curtain Liner is designed to provide a clean, odor-free, and effective barrier for your shower area. Crafted from durable PEVA material, this liner measures 72 inches by 72 inches, making it compatible with standard showers. It features rustproof metal grommets for secure hanging and three magnetic weights at the bottom to ensure it stays in place, preventing water from escaping and keeping your bathroom floor dry.

This premium liner is engineered to resist soap scum and stains, simplifying maintenance and ensuring long-lasting clarity and performance. Its clear design allows for maximum light transmission, contributing to a brighter shower environment.

Setup and Installation

Installing your BigFoot Shower Curtain Liner is a straightforward process. Ensure your shower rod is securely mounted before proceeding.

1. **Unpack the Liner:** Carefully remove the shower curtain liner from its packaging. Unfold it completely.
2. **Inspect for Damage:** Before installation, visually inspect the liner for any signs of damage or manufacturing defects.
3. **Attach to Shower Hooks:** The liner features 12 rustproof metal grommets along its top edge. Attach your preferred shower curtain hooks (not included) through each grommet.
4. **Hang on Shower Rod:** Once hooks are attached, hang the liner onto your shower rod. Ensure the liner hangs freely and is not snagged or bunched.
5. **Position Magnetic Weights:** The three magnetic weights located at the bottom of the liner are designed to

adhere to the metal surface of your bathtub or shower pan, keeping the liner securely in place during use. Ensure these magnets make contact with the tub surface for optimal water containment.

Operating Instructions

The BigFoot Shower Curtain Liner is designed for simple and effective operation, ensuring a dry and pleasant shower experience.

- **During Shower:** Ensure the liner is positioned inside the bathtub or shower pan. The magnetic weights will help keep the liner close to the tub, preventing water from splashing out.
- **Water Containment:** The PEVA material is impermeable, effectively containing water within the shower area and protecting your bathroom floor and decor from moisture.
- **Odor-Free Experience:** The liner is made from odor-free PEVA, ensuring no unpleasant plastic smells in your bathroom.

Maintenance and Care

Proper care will extend the life and maintain the clarity of your BigFoot Shower Curtain Liner.

- **Cleaning:** The liner is designed to resist soap scum and stains. For routine cleaning, simply wipe down the liner with a damp cloth or sponge. For deeper cleaning, the liner is machine washable. Use a mild detergent and cold water on a gentle cycle.
- **Drying:** After cleaning, allow the liner to air dry completely. Do not tumble dry or iron.
- **Mildew Resistance:** While the liner is designed to resist mildew, proper ventilation in your bathroom is crucial to prevent mildew growth. After each shower, extend the liner fully to allow it to dry.

Troubleshooting

Here are solutions to common issues you might encounter with your shower curtain liner:

Problem	Possible Cause	Solution
Water leaking outside the shower area.	Liner not fully inside the tub; magnetic weights not adhering; liner not fully extended.	Ensure the entire length of the liner is inside the tub. Verify magnetic weights are making full contact with the tub surface. Fully extend the liner across the shower opening.
Liner appears cloudy or stained.	Soap scum or mineral deposits buildup.	Clean the liner regularly with a damp cloth and mild detergent. For stubborn stains, machine wash on a gentle cycle with cold water.

Problem	Possible Cause	Solution
Liner has an unpleasant odor.	Buildup of moisture or mildew.	Although the liner is odor-free, ensure proper ventilation in the bathroom. Clean the liner as per maintenance instructions.
