LEDKIA LIGHTING Fanala Wall Lamp User Manual

Model: 70790_142930

1. Introduction

Thank you for choosing the LEDKIA LIGHTING Fanala Wall Lamp. This elegant wall lamp, crafted from wood and metal, is designed for indoor use and provides versatile lighting for various spaces. This manual provides essential information for the safe installation, operation, and maintenance of your new lamp. Please read these instructions carefully before installation and retain them for future reference.

2. Safety Information

- **Electrical Safety:** Always disconnect the power supply at the main circuit breaker before installation, maintenance, or bulb replacement.
- **Qualified Electrician:** Installation should be performed by a qualified electrician or a competent person to ensure compliance with local electrical codes and safety standards.
- **Indoor Use Only:** This product is designed exclusively for indoor environments. Do not expose it to moisture, water, or outdoor conditions.
- **Bulb Compatibility:** Use only E27 base bulbs with a maximum wattage of 40W. Exceeding the maximum wattage can cause overheating and damage.
- **Handling:** Handle the lamp and bulb with care. Avoid dropping or subjecting them to strong impacts.
- **Cleaning:** Do not use abrasive cleaners or solvents. Refer to the maintenance section for proper cleaning instructions.

3. Package Contents

Please check that all components are present and undamaged before proceeding with installation.

- Fanala Wall Lamp fixture (wooden base, metal frame, glass shade)

- Mounting hardware (screws, wall anchors)
- Internal wiring (pre-installed)
- Instruction Manual

Note: An E27 bulb is not included and must be purchased separately.

4. Specifications

Feature	Specification
Model Number	70790_142930
Dimensions (L x W x H)	20 cm x 14 cm x 30 cm
Weight	920 grams
Material	Metal, Wood
Color	Black
Bulb Base	E27
Max Wattage	40 Watts
Power Source	Electric Cable
Usage Environment	Indoor Only
Mounting Type	Wall Mount

5. Setup and Installation

Important: Ensure the main power supply to the installation area is turned off at the circuit breaker before beginning. If you are unsure, consult a qualified electrician.

5.1. Prepare the Mounting Surface

1. Identify the desired location for the wall lamp. Ensure it is a suitable indoor wall surface capable of supporting the lamp's weight.
2. Mark the drilling points on the wall using the lamp's wooden base as a template.

5.2. Mount the Wooden Base

Image 5.1: Rear view of the lamp with wiring and mounting points.

3. Drill holes at the marked points. Insert appropriate wall anchors if necessary (e.g., for drywall).
4. Position the wooden base against the wall, aligning the holes. Secure it firmly using the provided screws.

5.3. Electrical Connection

5. Carefully connect the lamp's internal wiring to your household electrical wiring. Match the live (L), neutral (N), and ground (E) wires according to standard electrical practices. Use appropriate wire connectors.
6. Ensure all connections are secure and properly insulated.

5.4. Attach the Lamp Fixture

Image 5.2: Detail of the lamp's metal bracket and wooden base.

7. Once the wiring is complete and secured, attach the metal lamp fixture to the wooden base using the provided screws or fasteners. Ensure it is stable and flush against the base.

5.5. Install the Bulb

Image 5.3: E27 bulb socket detail.

8. Carefully screw an E27 base bulb (not included) into the lamp socket. Do not overtighten.
9. Ensure the bulb's wattage does not exceed 40W.

5.6. Final Check

10. Once installation is complete, restore power at the main circuit breaker.
11. Test the lamp to ensure it functions correctly.

6. Operating Instructions

The LEDKIA LIGHTING Fanala Wall Lamp operates via your standard wall switch connected to the electrical circuit. There are no integrated controls on the lamp itself.

- **Turning On/Off:** Use the wall switch to turn the lamp on or off.
- **Bulb Selection:** You can choose an E27 bulb that suits your lighting preference. For a warm and inviting ambiance, select a dimmable bulb (if your wall switch supports dimming). For brighter, functional light, a cool-toned bulb is suitable.

7. Maintenance

Regular maintenance will help preserve the appearance and functionality of your Fanala Wall Lamp.

- **Cleaning:** Disconnect power before cleaning. Use a soft, dry cloth to wipe the metal and wooden surfaces. For the glass shade, a slightly damp cloth can be used, followed by a dry cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the finish.
- **Bulb Replacement:** Always disconnect power before replacing the bulb. Allow the old bulb to cool completely before unscrewing it. Replace with a new E27 bulb, ensuring it does not exceed 40W.
- **Inspection:** Periodically check the lamp for any signs of wear, loose connections, or damage. If any issues are found, disconnect power and consult a qualified electrician.

8. Troubleshooting

If you encounter issues with your Fanala Wall Lamp, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power to the circuit.	Check the circuit breaker and ensure power is restored.
	Faulty bulb.	Replace the bulb with a new, working E27 bulb (max 40W).
	Loose wiring connection.	**Disconnect power.** Check all wiring connections for tightness. If unsure, consult a qualified electrician.
Lamp flickers.	Loose bulb or faulty bulb.	**Disconnect power.** Tighten the bulb or replace it.
	Incompatible dimmer switch (if applicable).	Ensure your dimmer switch is compatible with the type of E27 bulb used.

If the problem persists after trying these steps, please contact customer support or a qualified electrician.

9. Warranty and Support

LEDKIA LIGHTING products are manufactured to high-quality standards. For information regarding warranty coverage, please refer to the terms and conditions provided at the point of purchase or visit the official LEDKIA LIGHTING website. For technical support or assistance with your Fanala Wall Lamp, please contact LEDKIA LIGHTING customer service through the contact information provided on our website or your purchase documentation.
