MINISO B08NHCTNYW

MINISO Eyebrow Scissors with Comb User Manual

Model: B08NHCTNYW

1. Introduction

Thank you for choosing the MINISO Eyebrow Scissors with Comb. This manual provides essential instructions for the safe and effective use, maintenance, and care of your new grooming tool. Please read this manual thoroughly before first use and retain it for future reference.

2. Safety Information

- Keep out of reach of children. This product contains sharp blades.
- Use with caution to avoid injury.
- Do not use on irritated, inflamed, or broken skin.
- Clean the scissors before and after each use to maintain hygiene.
- Store in a dry, safe place when not in use.

3. Product Overview

The MINISO Eyebrow Scissors with Comb is designed for precise and safe eyebrow trimming. It features a detachable comb for guiding hair and a comfortable, non-slip grip.

Key Features:

- Comes with an eyebrow comb, easy to be detached and replaced.
- Lightweight and non-slip grip for easy control.
- Convenient for use and portable for travel.
- Specially designed to trim and shape eyebrows safely and painlessly.

Product Components:

Figure 1: MINISO Eyebrow Scissors with Comb. This image shows the pink-handled scissors with a pink comb attached to one blade, designed for precise eyebrow trimming.

The product consists of a pair of scissors with ergonomic handles and a small, detachable comb that clips onto one of the blades. The comb helps to guide and measure the eyebrow hairs for an even trim.

Figure 2: Close-up view of MINISO Eyebrow Scissors with Comb. This image provides a detailed look at the stainless steel blades and the fine teeth of the detachable comb.

Figure 3: MINISO Eyebrow Scissors with Comb in retail packaging. The product is shown sealed in a clear plastic pouch with product labeling.

4. Setup

The MINISO Eyebrow Scissors with Comb comes ready for use. Simply remove the product from its packaging. Ensure the comb is securely attached to the scissor blade before use. If the comb is detached, gently slide it onto one of the scissor blades until it clicks into place.

5. Operating Instructions

Follow these steps for effective eyebrow trimming:

1. **Prepare Your Eyebrows:** Ensure your eyebrows are clean and dry. You may brush them into their natural shape using a clean spoolie brush.
2. **Comb and Identify:** Use the integrated eyebrow comb to brush your brow hairs upwards or downwards, depending

on the area you wish to trim. Identify the parts of the eyebrow that need trimming to achieve your desired shape.

3. **Trim Excess Hair:** Place the comb on the edge of the eyebrow, allowing the hairs to extend through the comb's teeth. Carefully trim the hairs that extend beyond the comb to an appropriate length. Work slowly and trim small amounts at a time to avoid over-trimming.
4. **Refine Shape:** After the rough eyebrow contour is shaped, use the scissors without the comb (if preferred for precision) to trim any remaining excess or stray hairs, refining the overall eyebrow shape.
5. **Check Symmetry:** Step back and check the symmetry of both eyebrows. Make minor adjustments as needed.

Tip: *Always trim in good lighting and take your time. It's easier to remove more hair than to wait for it to grow back.*

6. Maintenance

- **Cleaning:** After each use, gently wipe the blades and comb with a clean, dry cloth or a cotton swab to remove any hair or debris. For a more thorough cleaning, you may use a cloth dampened with rubbing alcohol. Ensure the product is completely dry before storing.
- **Storage:** Store the scissors in a protective case or a dry, safe place to prevent damage to the blades and to keep them hygienic.
- **Blade Care:** Avoid dropping the scissors, as this can dull or misalign the blades. Do not use the scissors for purposes other than eyebrow trimming to preserve their sharpness.

7. Troubleshooting

- **Difficulty Trimming:**
  - Ensure your eyebrows are clean and free of makeup or oils.
  - Check if the comb is properly attached and positioned.
  - If the blades feel dull, it may be time to replace the scissors for optimal performance.
- **Uneven Trim:**
  - Practice on a small, less visible section first.
  - Ensure consistent pressure and angle while trimming.
  - Work slowly and trim in small increments.

8. Specifications

Attribute	Detail
Brand	MINISO
Model Number (ASIN)	B08NHCTNYW
Product Dimensions	5 x 5 x 5 cm
Item Weight	9.07 g (0.02 Pounds)
Colour	Style1 (Pink)
Hand Orientation	Ambidextrous
Manufacturer	MINISO

Date First Available	15 November 2020

9. Warranty and Support

This product is designed for durability and performance. For any questions regarding the use, maintenance, or potential issues with your MINISO Eyebrow Scissors with Comb, please refer to the retailer's return policy or contact MINISO customer support through their official website or the point of purchase. Please retain your proof of purchase for any warranty claims, if applicable.
