URBAN FACTORY PSC65UF

URBAN FACTORY USB-C 65W Charger

Instruction Manual (Model: PSC65UF)

1. Introduction

Thank you for choosing the URBAN FACTORY USB-C 65W Charger. This manual provides essential information for the safe and efficient use of your new charger. Please read these instructions carefully before using the product and retain them for future reference.

2. Safety Instructions

- **Indoor Use Only:** This charger is designed for indoor use in dry locations. Do not expose it to rain, moisture, or extreme temperatures.
- **Proper Voltage:** Ensure the power outlet voltage matches the charger's specifications.
- **Avoid Damage:** Do not use the charger if the casing or cable is damaged. Do not attempt to open or repair the charger yourself.
- **Ventilation:** Ensure adequate ventilation around the charger during use. Do not cover it with cloth or other materials.
- **Unplug When Not in Use:** Disconnect the charger from the power outlet when not in use or during electrical storms.
- **Children and Pets:** Keep the charger out of reach of children and pets.

3. Package Contents

The package should contain the following item:

- 1 x URBAN FACTORY USB-C 65W Charger (Model: PSC65UF)

This image displays the URBAN FACTORY USB-C 65W Charger, a white rectangular power adapter. It features one USB-C output port and one standard USB-A output port. The URBAN FACTORY logo is visible on the side of the charger. Two white USB-C to USB-C cables are shown plugged into the ports, illustrating its charging capability.

4. Setup

1. **Connect to Power Outlet:** Plug the charger's two-pin plug into a standard AC power outlet.

A side view of the URBAN FACTORY USB-C 65W Charger, highlighting its compact design and the two-pin European-style plug. The charger's white casing and the URBAN FACTORY logo are clearly visible.

2. **Connect Device:** Use a compatible USB-C cable (not included) to connect your device (e.g., laptop, smartphone, tablet) to the USB-C port on the charger. For devices requiring less power, you may use the USB-A port with a suitable cable.

5. Operating Instructions

The URBAN FACTORY USB-C 65W Charger is designed for efficient power delivery to compatible devices, particularly laptops. Once connected to a power outlet and your device, the charger will automatically begin providing power.

- **USB-C Port:** This port delivers up to 65W of power, ideal for charging most USB-C powered laptops, tablets, and fast-charging smartphones.
- **USB-A Port:** This port provides standard charging for a wide range of USB-A compatible devices.
- **Charging Indication:** Your device's screen or indicator light will show its charging status.

6. Maintenance

- **Cleaning:** Disconnect the charger from the power outlet before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or aerosols.
- **Storage:** Store the charger in a cool, dry place when not in use. Avoid wrapping cables tightly around the charger to prevent damage.

7. Troubleshooting

- **Device Not Charging:**
  - Ensure the charger is securely plugged into a working power outlet.
  - Verify that the USB cable is properly connected to both the charger and your device.
  - Check if the cable or charger is damaged. Try a different cable if available.
  - Confirm your device is compatible with the charger's power output.
- **Slow Charging:**
  - Ensure you are using the USB-C port for high-power devices like laptops.
  - Verify that your cable supports fast charging if your device requires it.
  - Close unnecessary applications on your device to reduce power consumption during charging.
