Setup Guide

Charging Your Earbuds

Before first use, ensure your Skullcandy Grind earbuds and charging case are fully charged. The case provides additional battery life for on-the-go charging.

- Place the earbuds into the charging case. Ensure they are properly seated.
- Connect the provided charging cable to the USB-C port on the charging case and to a power source.
- The LED indicators on the case will show the charging status.

Bluetooth Pairing

To pair your earbuds with your device:

1. Remove both earbuds from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Select "Skullcandy Grind" from the list of available devices.
4. Once connected, you will hear an audio prompt confirming successful pairing.

Skull-iQ App Installation

Unlock the full potential of your Skullcandy Grind earbuds by downloading the Skull-iQ App:

- Search for "Skull-iQ" in your device's app store (Google Play Store for Android, Apple App Store for iOS).
- Download and install the app.
- Follow the in-app instructions to connect your earbuds and customize settings, including Personal Sound and voice control features.

Stay-Aware Mode

Stay-Aware Mode allows you to hear your surroundings without removing your earbuds. This feature is adjustable via the Skull-iQ App.

- Activate or deactivate Stay-Aware Mode using voice commands or through the Skull-iQ App.
- Adjust the level of ambient sound you hear to suit your environment.

Tile Finding Technology

Never lose your earbuds again with built-in Tile technology:

- Download the Tile App on your smartphone.
- Follow the in-app instructions to connect your Skullcandy Grind earbuds to your Tile account.
- If you misplace an earbud, simply "ring" it from the Tile App to locate it.

Care and Maintenance

Proper care ensures the longevity and optimal performance of your earbuds:

- **Cleaning:** Regularly wipe your earbuds and charging case with a soft, dry cloth. Avoid harsh chemicals.
- **Water Resistance:** The earbuds are water-resistant (IP55 rated). While they can withstand sweat and light splashes, do not submerge them in water. Ensure they are dry before placing them back in the charging case.
- **Storage:** Store earbuds in their charging case when not in use to protect them and keep them charged.

Troubleshooting

If you encounter any issues with your Skullcandy Grind Wireless Earbuds, try the following solutions:

Issue	Solution
Earbuds not pairing	Ensure earbuds are fully charged. Turn Bluetooth off and on on your device. Try resetting the earbuds (refer to the full user manual for specific reset instructions).
No sound or low volume	Check device volume and earbud volume. Ensure earbuds are properly seated in your ears. Try re-pairing the earbuds.
Charging issues	Ensure charging cable is securely connected. Try a different USB port or power adapter. Clean charging contacts on earbuds and case.
Voice control not responding	Ensure earbuds are connected to the Skull-iQ App and the app is running. Check microphone for obstructions. Ensure your device meets the OS compatibility requirements.
