1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Identify each component against the parts list provided in the hardware pack.
2. **Assemble Table Frame:** Attach the table legs to the table frame using the provided hardware. Ensure all connections are finger-tight before fully tightening.
3. **Attach Tabletop:** Secure the tabletop to the assembled table frame. Use caution not to overtighten screws, as this may damage the MDF board.
