Stay Out of the Cold:

Download eBooks + Audiobooks!

Winter weather is coming, which means it's a great time to cozy up with a great book. But did you know you can download library books, audiobooks, and more straight to your device? Get started at addisonlibrary.org/downloads!

It looks like there are lots of apps I can use to borrow digital materials. Which app should I use?

That depends on what you'd like to borrow!

If you want to borrow:	Try these:
eBooks or eAudiobooks	Axis 360, Overdrive, Hoopla, Cloud Library (eBooks only)
Magazines	Flipster, Overdrive
Movies, TV Shows, Music, or Comics	Hoopla

Each service has different downloadable materials available to you, so if an item is not available on one app it may be available on a different service.

How long can I borrow digital materials?

Most eBooks and Audiobooks can be checked out for 14 days; Cloud Library eBooks can be borrowed for 21 days. eMagazines never expire, so you can keep them on your device for as long as you want. For materials on Hoopla, you can borrow them for 3-21 days depending on the item.

Digital materials will return to the library automatically, so you'll never have to worry about returning items on time!

Can I renew eBooks or other digital materials?

Yes, you can renew items in the Cloud Library, Axis 360, and OverDrive apps. With Hoopla, since titles are always available, you will be able to borrow the material again right away after the loan period ends.

How can I get help if I have trouble getting started with eBooks or other digital items?

We are here to help! You can set up a 1-on-1 appointment with a member of our staff by visiting our website at addisonlibrary.org/appointments. We can meet with you in-person, over the phone, or by using Zoom. You can also stop by our service desks any time we are open!
