Product Information

The EasyTouch AKB-610UB is a Multi-OS Mechanical Compact Keyboard equipped with a CoPilot Ai Hotkey and Blue Mechanical Switch. It features tactile and clicky feedback with a lifespan of 50 million keystrokes. The keyboard includes 2X Large Print Multi OS Layout keys for better visibility and a compact design suitable for various operating systems.

Product Usage Instructions

1. Key Features:

The Blue Mechanical Switch provides a tactile and audible response when a key is pressed, ensuring precise input recognition. The CoPilot Ai Hotkey grants instant access to an advanced AI assistant for tasks like code generation, creative suggestions, and language-related assistance.

2. Multi-OS Layout:

The keyboard supports seamless switching between layouts for Windows, macOS, and Linux, offering versatility for users across different operating systems.

3. **Hotkeys:**

Enjoy the convenience of Windows and multimedia functions with the built-in hotkeys. Perform tasks with a simple press of a button.

4. **Compact Design:**

The compact size of the keyboard makes it ideal for environments with limited space such as POS stations, kiosks, warehouses, and offices.

Requirements:

- **Operating System:** Compatible with various operating systems
- **Connectivity:** USB
- **Includes:** AKB-610UB Multi-OS Mechanical Keyboard, Quickstart Guide

1. **Blue Mechanical Switch**

The blue mechanical switch provides tactile and clicky feedback where you feel and hear clearly when a key has been pressed. These switches are also built to last with a lifespan of 50 million keystroke lifecycle.

2. **CoPilot Ai Hotkey**

The Copilot AI hotkey on your keyboard provides instant access to an advanced AI assistant designed to assist you in various tasks. Simply press the designated hotkey, and Copilot AI will be ready to generate code, provide creative suggestions, or assist you with language-related tasks. It's your quick and efficient way to harness the power of AI right at your fingertips.

3. **2X Size Large Print Keys**

The 2X-sized, large print keys provide excellent contrast and greater appeal than traditional keyboards with hard-to-read letters.

4. **Multi-OS Layout**

Our keyboard's multi-OS layout feature is designed for versatility, catering to users across various operating systems. With the ability to seamlessly switch between layouts for different operating systems such as Windows, macOS, and Linux.

5. **Multimedia and Windows Hotkeys**

The AKB-610UB has various built-in hotkeys. With just a simple click you can enjoy the convenience of different Windows functions.

6. **Compact Size**

This keyboard is 11.75" wide and is designed with a multi-OS layout including Windows and Mac. This keyboard is a great space saver for your home or office, ideal for use in POS stations, kiosks, warehouses, manufacturing environments, or any place where space is limited.
