Paladone PP8955XB

Paladone Xbox Headset Stand Light (Model: PP8955XB) Instruction Manual

Official User Guide for the Paladone Xbox Headset Stand Light

Introduction

This manual provides essential information for the proper setup, operation, and care of your Paladone Xbox Headset Stand Light. This officially licensed product is designed to store your gaming headset and illuminate your gaming space with the iconic Xbox logo.

What's in the Box

- Xbox Headset Stand Light
- Micro USB to USB Cable

Note: A USB power adapter is not included.

Setup

1. **Unpack the Device:** Carefully remove the Xbox Headset Stand Light and its components from the packaging.
2. **Connect Power:** Insert the Micro USB end of the provided cable into the port on the back of the stand. Connect the standard USB end to a compatible USB power source (e.g., computer, game console, or USB wall adapter - not included).
3. **Positioning:** Place the stand on a stable, flat surface in your desired location.
4. **Headset Placement:** Rest your gaming headset on the designated holder at the top of the stand.

Operating Instructions

The Xbox Headset Stand Light features two distinct lighting modes, controlled by a switch located on the back of the unit.

1. **Always On Mode:** Slide the switch to the position labeled "1" (or the corresponding 'on' position). In this mode, the Xbox logo light will remain continuously illuminated as long as the device is powered.
2. **Headset Detection Mode:** Slide the switch to the position labeled "2" (or the corresponding 'headset' position). In this mode, the light will automatically illuminate when a headset is placed on the stand and turn off when the headset is removed.

Maintenance

To ensure the longevity and optimal appearance of your Xbox Headset Stand Light, follow these simple maintenance guidelines:

- **Cleaning:** Gently wipe the surface of the stand with a soft, dry cloth. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these may damage the finish or electronic components.
- **Storage:** When not in use for extended periods, store the stand in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Ensure the USB cable is not kinked, pinched, or subjected to excessive strain.

Troubleshooting

If you encounter any issues with your Xbox Headset Stand Light, please refer to the following common troubleshooting steps:

- **Light Not Turning On:**
  - Ensure the USB cable is securely connected to both the stand and a functioning power source.
  - Verify that the power source (e.g., USB port, wall adapter) is active and providing power.
  - Check the light mode switch on the back of the stand. If in "Headset Detection Mode," ensure a headset is properly placed on the stand.
- **Intermittent Lighting:**
  - Check for loose cable connections.
  - Ensure the headset is seated correctly if using "Headset Detection Mode."

If these steps do not resolve the issue, please contact Paladone customer support for further assistance.

Specifications

Brand	Paladone
Model Number	PP8955XB
Product Dimensions	4.72 x 7.68 x 9.45 inches (12 x 19.5 x 24 cm)
