ADLER AD 8151 Analog Personal Scale

Specifications

- Capacity: 130 kg
- Accuracy: 1000g

Product Information

The AD 8151 is a digital scale with the following components:

- A. Display
- B. Scale platform
- C. Calibration knob

Product Usage Instructions

Calibration:

Before first use, calibrate the scale using knob C. Make sure the red line indicates 0.

Operation:

1. Place the scale on a hard and flat surface, avoiding carpets and soft surfaces.
2. Step softly on the scale, stand evenly without moving.
3. To read the measurement, look at the point marked with a red line when you are on the scale.
4. To recalibrate, use knob C to ensure the red line indicates 0.

Cleaning and Maintenance

1. Clean the scale using a moist cloth and wipe it dry.

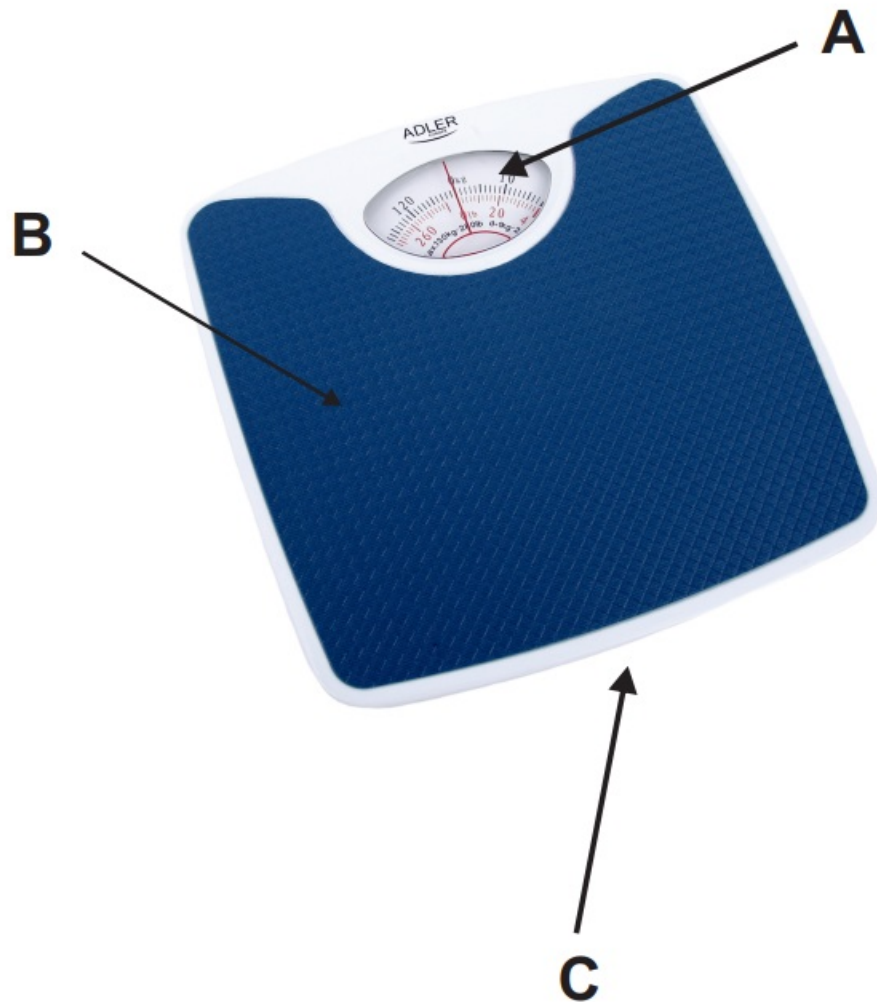

2. Do not use chemical or corrosive cleaning agents.
3. Store the scale in a cool and dry place in a horizontal position.

SAFETY CONDITIONS. IMPORTANT INSTRUCTIONS ON SAFETY OF USE PLEASE READ CAREFULLY AND KEEP FOR FUTURE REFERENCE

1. Before using this appliance read the user's manual and follow the instructions for use. The manufacturer shall not be held reliable for damage caused by misuse or improper operation of the appliance.
2. This appliance is intended for household use only. Do not use it for purposes other than the intended one.
3. Take special care when using the appliance near children. Do not allow children to use the appliance as a toy. Do not allow children or other person not familiarized with the appliance to operate it.
