## FAQs

### Frequently asked questions about the Creative Cloud All Apps plan

#### How do I upgrade from a single app plan?

Sign in at <https://www.adobe.com/creativecloud/all-apps.html> and then follow the onscreen instructions.

When you upgrade, all your storage, assets, and fonts will transfer to your new plan, and your old plan will be automatically canceled. See step-by-step instructions to upgrade your plan.

If you purchased your plan from an online store or retailer, contact the store directly.

#### Where can I download the apps? On how many computers can I install my app?

To download your apps, sign in at <https://creativecloud.adobe.com/> and then follow the onscreen instructions. Your individual license lets you install your Adobe app on more than one computer, sign in (activate) on two, but use it on only one computer at a time. [Learn more.](#)

What's the difference between the Adobe Creative Cloud All Apps plan and Adobe Creative Cloud single app plans?

The Adobe Creative Cloud All Apps plan has more than 20 creative applications to grow your creative skill set. If you're considering purchasing more than two apps, this plan is the easiest way to get your favorite

creative apps in one subscription at a great price.

How can I get the latest updates for Creative Cloud apps?

Your apps are automatically updated when new versions are released.

Will all the apps in Creative Cloud All Apps download at once?

You control which of the 20+ Creative Cloud apps you download, when you download each one, and which devices you install them on. Start your Creative Cloud downloads by signing in to the Creative Cloud website.

Does my device meet system requirements for the apps?

Adobe partners with hardware and software providers to take advantage of the most current and up-to-date technologies for mobile devices, desktops, and web browsers. Apps in the Creative Cloud All Apps plan work with the latest operating systems for macOS, Windows, iOS, and Android, and two prior versions. View the system requirements.
