## Port Authority W809

# Port Authority Men's SuperPro React Twill Short Sleeve Button-Down Shirt Manual

Model: W809

### Introduction

This manual provides essential information for the proper use and care of your Port Authority Men's SuperPro React Twill Short Sleeve Button-Down Shirt. Designed for professional appearance and comfort, this shirt features wrinkle-resistant fabric and stain-release properties for easy maintenance.

### Key Features

- **Wrinkle-Resistant Fabric:** Maintains a polished appearance throughout the day.
- **Stain Release:** Fabric is designed to release stains easily during washing.
- **Button-Down Collar:** Provides a classic, neat look.
- **Dyed-to-Match Buttons:** Ensures a cohesive and professional aesthetic.
- **Left Chest Pocket:** Functional and adds a touch of style.
- **Back Yoke:** Enhances fit and garment structure.

## Initial Use

It is recommended to wash the shirt before its first wear to remove any manufacturing residues and to ensure optimal comfort and fit. Follow the care instructions provided in the 'Care and Maintenance' section.

## Wearing Instructions

This short sleeve button-down shirt is designed for versatile wear, suitable for both professional and casual settings. It can be worn tucked in with dress trousers or untucked with casual pants, depending on the desired look.

## Care and Maintenance

Proper care will extend the life and maintain the appearance of your shirt. Follow these guidelines:

- **Washing:** Machine wash cold with like colors.
- **Drying:** Tumble dry low. Remove promptly to minimize wrinkles.
- **Ironing:** If necessary, iron on a low setting. The fabric is wrinkle-resistant, so heavy ironing should not be required.
- **Bleaching:** Do not bleach.

- **Stain Treatment:** For best results with stain release, treat stains promptly according to standard fabric care practices before washing.

## Troubleshooting

| Issue | Solution |
|---|---|
| Excessive Wrinkles | Ensure shirt is removed from dryer promptly. If wrinkles persist, iron on a low setting. |
| Stains Not Releasing | Pre-treat stains before washing. For stubborn stains, a gentle stain remover suitable for cotton/polyester blends may be used. |
| Shrinkage | Follow washing and drying instructions carefully. Avoid high heat during washing and drying. |

## Specifications

| Attribute | Detail |
