NexiGo LT10S

NexiGo LT10S Smart Sunrise Alarm Clock User Manual

Model: LT10S

Brand: NexiGo

1. Introduction

Thank you for choosing the NexiGo LT10S Smart Sunrise Alarm Clock. This device is designed to enhance your sleep and wake-up experience through light and sound simulation, smart app control, and voice assistant integration. Please read this manual carefully to ensure proper setup and operation.

2. Package Contents

The package includes:

- 1 x NexiGo LT10S Smart Sunrise Alarm Clock
- 1 x Power Adapter
- 1 x User Manual

3. Setup

3.1 Powering On

Connect the provided power adapter to the DC port on the back of the alarm clock and plug it into a standard wall outlet. The display will light up, indicating the device is powered on.

3.2 App Download and Connection

The NexiGo Home App provides advanced control over your alarm clock. Follow these steps to connect your device:

1. Search for "NexiGo Home" in your device's App Store (iOS) or Google Play Store (Android) and download the application.
2. Register and log in to your NexiGo Home Account.
3. Turn on the Sunrise Alarm Clock. Press and hold the**Sun**/**Brightness** button for 5-10 seconds until the Wi-Fi icon begins to flash.

4. Ensure both Wi-Fi and Bluetooth are enabled on your mobile device before pairing.
5. Tap the "+" button in the NexiGo Home App to add the Sunrise Alarm Clock. The app should automatically detect the device.
6. Enter your 2.4GHz Wi-Fi network name and password, then tap "Next".
7. Your clock has been successfully paired.

For a visual guide on app connection, please refer to the official instruction video below:

4. Operating the Device

4.1 Basic Controls

The device features intuitive buttons on its base for essential functions:

- **Sun/Brightness Button:** Adjusts light brightness and initiates pairing mode.
- **Alarm Buttons (1-4):** Set and manage individual alarms.
- **Snooze Bar:** Located on top, allows for temporary silencing of alarms.
- **Volume Buttons:** Adjust sound volume.

4.2 App Control Features

Once connected to the NexiGo Home App, you can access a wide range of features:

- **Customizable Light:** Adjust white color temperature and brightness (20 levels). Choose from 7 different colored lights and various lighting scenes (e.g., Breathe, Leap, Sunset, Candle).
- **Natural Sounds:** Select from 17 natural soothing noises including Ocean, Wind, Crickets, White Noise, Rain, Thunder, and more.
- **Multiple Alarms:** Set up to four (4) different alarm settings to meet your daily needs.
- **Sleep and Snooze Function:** Utilize the robust sleep function to gradually dim the light and play soothing sounds. The adjustable snooze function can be set from 5-30 minutes.

4.3 Voice Control Integration

The NexiGo LT10S is compatible with Amazon Alexa and Google Assistant, allowing for convenient voice commands.

1. **For Amazon Alexa:** In the NexiGo Home App, tap "Me" then "Alexa". Tap "Sign In With Amazon" and then "LINK" to connect your accounts. Open the Amazon Alexa app, find your new device (LT10S), and you can

now control the light via the Alexa app or voice commands.

2. **For Google Assistant:** In the NexiGo Home App, tap "Me" then "Google Assistant". Tap "Link with Google Assistant" and then "Agree and link". Open the Google Home app, choose LT10S, and tap "Next". Select a home and tap "Next". Your clock is now paired, and you can control the light via the Google Home app or voice commands.

Watch the video for detailed instructions on setting up voice control:

5. Maintenance

To ensure the longevity and optimal performance of your NexiGo LT10S Smart Sunrise Alarm Clock, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the device. Avoid using abrasive cleaners, solvents, or

strong chemicals, as they may damage the finish.

- **Placement:** Place the device on a stable, flat surface away from direct sunlight, excessive heat, or moisture.
- **Storage:** If storing the device for an extended period, unplug it and keep it in a cool, dry place.

6. Troubleshooting

If you encounter any issues with your NexiGo LT10S, please refer to the following common solutions:

Problem	Possible Solution
Device does not power on.	Ensure the power adapter is securely connected to both the device and a working power outlet. Try a different outlet.
Cannot connect to Wi-Fi.	Verify your Wi-Fi network is 2.4GHz. The device does not support 5GHz Wi-Fi. Ensure your phone's Wi-Fi and Bluetooth are on. Restart the device and try pairing again.
App control is unresponsive.	Check your Wi-Fi connection. Ensure the device is still paired with the app. Close and reopen the app.
Alarm does not sound or light up.	Verify the alarm settings in the app are correct and enabled. Check the volume level and brightness settings.
Voice control not working.	Ensure your NexiGo Home account is correctly linked with Amazon Alexa or Google Assistant. Check your voice assistant device's internet connection.
