Assembly Instructions

The TPC 5000 Series VESA mount kit is designed for modular TPC-2000/5000 and FPM-7002 series models from 12" to 23.8". It is a piece of metal pieces secured by 4 x M4 screws. Refer to the directions below for how to secure the modular TPC/FPM series to the kit.

Packing List

Contact Advantech if any of the following parts are missing.

- TPC-5000T-VMKE as a holding plate
- Packet of Screws
