NATERIAL ODYSSEA 4

NATERIAL ODYSSEA Outdoor Corner Lounge Set Instruction Manual

Model: ODYSSEA 4 | Brand: NATERIAL

Introduction

This manual provides essential information for the assembly, operation, maintenance, and care of your NATERIAL ODYSSEA Outdoor Corner Lounge Set. Please read these instructions carefully before use to ensure safe and optimal performance of your furniture.

Safety Information

Please observe the following safety precautions to prevent injury or damage to the product:

- Ensure the furniture is stable and secure on all surfaces. Avoid placing it on uneven or slippery ground.
- Keep cushions out of reach of small children when not in use. Supervise children closely when they are near the furniture.
- Avoid touching metal parts of the furniture when they are hot, especially after prolonged exposure to direct sunlight.
- Do not use the furniture as a climbing structure or play equipment. It is designed for seating and relaxation only.
- Do not exceed the recommended seating capacity of 6-7 people.

Setup and Assembly

The NATERIAL ODYSSEA lounge set requires assembly. Follow these general guidelines for setup:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the packing list (not provided in this manual, refer to your product packaging) are present and undamaged.
2. **Prepare Workspace:** Choose a flat, clear area for assembly. It is recommended to assemble the furniture on a soft surface to prevent scratches.
3. **Assemble Frame:** Begin by assembling the aluminum frames for each modular piece (corner sofa sections, ottomans, coffee table). Follow the specific instructions provided with your product for connecting the frame components. Ensure all screws and fasteners are tightened securely, but do not overtighten.
4. **Attach Textilene:** If applicable, attach the textilene seating surfaces to the frames as per the product-specific instructions.
5. **Place Cushions:** Once the frames are assembled, place the polyester cushions onto the seating areas.
6. **Arrange Layout:** The modular design allows for flexible arrangement. Position the corner sofa sections, ottomans, and coffee table to suit your outdoor space. The lightweight aluminum structure facilitates easy rearrangement.

Operating and Usage

The NATERIAL ODYSSEA lounge set is designed for comfortable outdoor seating and relaxation. Here are some usage guidelines:

- **Seating Capacity:** The set is designed to comfortably seat 6 to 7 individuals.
- **Modular Flexibility:** Utilize the modular design to reconfigure the layout as needed for different occasions or sun/shade preferences.
- **Cushion Comfort:** The included polyester cushions with polyurethane foam filling provide enhanced comfort.
- **Coffee Table Use:** The auxiliary glass-top coffee table is suitable for placing drinks, snacks, or decorative items. Avoid placing excessively hot items directly on the surface without protection.
- **Outdoor Environment:** This furniture is built with weather-resistant materials (aluminum frame, textilene, polyester cushions) suitable for outdoor environments.

Maintenance

Proper maintenance will extend the life and appearance of your NATERIAL ODYSSEA lounge set:

- **Frame Cleaning:** Clean the aluminum frame and textilene surfaces with a dry or damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly with water. Avoid abrasive cleaners or harsh chemicals.
- **Cushion Care:** The polyester cushions are washable. Refer to the care label on the cushions for specific washing instructions. Ensure cushions are completely dry before storing or replacing them to prevent mold or mildew.
- **Winter Storage:** To prolong the lifespan of the set, especially in harsh winter conditions, cover the furniture with a protective cover. Store cushions in a dry, sheltered area to avoid humidity.
- **Rust Prevention:** The aluminum structure is designed to be rust-resistant. However, regular cleaning and avoiding prolonged exposure to standing water will help maintain its condition.

Troubleshooting

This section addresses common issues you might encounter with your lounge set.

- **Wobbly Furniture:** If any part of the furniture feels unstable, check all assembly screws and fasteners. Tighten them firmly, but avoid overtightening which can strip threads. Ensure the furniture is placed on a level surface.
- **Cushion Discoloration/Mildew:** This usually occurs due to prolonged exposure to moisture. Ensure cushions are completely dry before storage. If mildew appears, clean with a mild bleach solution (test on an inconspicuous area first) or a specialized fabric cleaner, then rinse and dry thoroughly.
- **Scratches on Frame:** Minor scratches on the aluminum frame can sometimes be touched up with appropriate outdoor furniture paint or markers. Consult NATERIAL customer support for recommendations.
- **Difficulty Cleaning:** For persistent stains on textilene or cushions, use a soft brush with a mild soap solution. Always rinse thoroughly to remove soap residue.
